Werewolf Without A Cause Entwined Book English Edition:

Entwined Diana J. Vargas, 2024-06-01 They took everything from her the damned Werewolves Her mother her coven her freedom And then she found out she was the mate of the Alpha prince whose father destroyed her life as she knew it She was the one She was fated for him but could she handle all that being his mate would entail Could she handle the politics The jealousy The sex I was determined to ensure he couldn't ignore me Looking around nervously to make sure everyone was still preoccupied I removed my flats from my right foot Then I leaned closer and found his leg again I ran my stockinged toes over his ankle moving it up slowly He looked at me again sharply his eyes darkening I gave him an innocent smile and looked away I continued to move my foot up higher and higher ignoring his eyes Soon my foot found his already hard erection Good goddess he was always ready Gently I pressed the curve of my foot against him feeling the fast pulse of his erection I heard his sharp intake of breath and glanced up at him His eyes were now black with arousal but he was looking at me intensely like he wanted me to stop Tough luck

Entwined Christine Butler, 2018-04-06 Izzy and Dre are destined to be together as Kindred Mates What should have been an easy fated pairing is suddenly anything but when a cruel twist of fate finally throws them together but doesn't even give them the chance to meet Instead they each get a passing awareness of the other before they're lost to one another for three years When chance brings them back together it may be too late for romance between the two as circumstances and loved ones work to keep them apart It doesn't help that Izzy's been kept in the dark about werewolves her whole life despite her father being one How is she supposed to believe in fated mates when she doesn't even think Dre's kind exists How is he supposed to convince her of anything after he unknowingly betrayed her before he ever even got to know her This is book 1 of 6 in the Vukodlak Brew Series While all books in the series can be read as a standalone you will get more enjoyment and less potential spoilers by reading them in order This is about an 80 000 word full length novel with no cliffhangers and an HEA There are a few sexy times where people get naked and do what naked people do and definitely some crass language If those things are bothersome this is not the book for you
