West Of Here:

West of Here Jonathan Evison, 2012-01-31 At the foot of the Elwha River the muddy outpost of Port Bonita is about to boom fueled by a ragtag band of dizzyingly disparate men and women unified only in their visions of a more prosperous future A failed accountant by the name of Ethan Thornburgh has just arrived in Port Bonita to reclaim the woman he loves and start a family Ethan's obsession with a brighter future impels the damming of the mighty Elwha to harness its power and put Port Bonita on the map More than a century later his great great grandson a middle manager at a failing fish packing plant is destined to oversee the undoing of that vision as the great Thornburgh dam is marked for demolition having blocked the very lifeline that could have sustained the town West of Here is a grand and playful odyssey a multilayered saga of destiny and greed adventure and passion that chronicles the life of one small town turning America's history into myth and myth into a nation's shared experience

West of Here Jonathan Evison, 2011-01-01 A novel that is part historical and part modern contracts the lofty goals of the pioneers that settled a peninsula in Washington State with the trivial pursuits of its present day inhabitants By the author of All About Lulu Man from Wolf River John D. Nesbitt, Owen Felver was on his way from the Wolf River country to the Laramie Range hoping to earn summer wages when he stopped off in Cameron Wyoming As a fellow who enjoyed his pleasures he had a beer in the saloon but then he got sidetracked sticking up for a girl Her name turned out to be Jenny Quoin and one of the bigwigs in town didn't want to leave her alone Felver didn't like to be told to move along and he and Jenny developed a mutual interest so he pitched camp near town and took a look into things Soon enough he had thugs trying to rough him up So he looked closer As he did he discovered a web of theft invasion of privacy blackmail and eventually murder

West of 98 Lynn Stegner, Russell Rowland, 2012-07-25 What does it mean to be a westerner With all the mythology that has grown up about the American West is it even possible to describe how it was how it is here in the West just that in the words of Lynn Stegner Starting with that challenge Stegner and Russell Rowland invited several dozen members of the western literary tribe to write about living in the West and being a western writer in particular West of 98 gathers sixty six literary testimonies in essays and poetry from a stellar collection of writers who represent every state west of the 98th parallel a kind of Greek chorus of the most prominent voices in western literature today who seek to characterize the West as each of us grew to know it and equally important the West that is still becoming In West of 98 western writers speak to the ways in which the West imprints itself on the people who live there as well as how the people of the West create the personality of the region The writers explore the western landscape how it has been revered and abused across centuries and the inescapable limitations its aridity puts on all dreams of conquest and development They dismantle the boosterism of manifest destiny and the cowboy and mountain man ethos of every man for himself and show instead how we must create new narratives of cooperation if we are to survive in this spare and beautiful country The writers seek to define the essence of both actual and metaphoric wilderness as they journey toward a West that might honestly be called
