Coleman, 2025-10-14 Knowing the cost of products is important If you don't know how much your item costs whatever it may be you are likely to be overcharged or under protected Racial equality is very much like any product Generally you get what you pay for assuming you are buying well made products from reputable and professional sources The more you pay the more you get the less you pay the less you get But everyone knows there are often wild exceptions to the general rule of getting what you pay for Racial equality is no exception Some low cost racial equality programs provide tremendous bang for the buck K 12 school integration affirmative action in higher education funding for anti discrimination enforcement and political equality in voting are just a few examples However by refusing to calculate the costs involved and choosing to pay little or nothing for racial equality the nation is defaulting to the highest cost options This is like trying to save money on transportation by not changing the oil in your car Racial equality cost decisions are particularly problematic as the nation moves to being majority minority by mid century Not knowing the costs for racial equality threatens American democracy **Fundamentals of Early Childhood Assessment** Dia Gary, 2024-10-17 This comprehensive research based textbook equips teachers with the tools they need to comprehend and document the learning progression and academic growth of young learners An ideal text to enhance teacher preparatory standards for trainees the book explains the teacher's role in assessment outlines the differences between and purposes for informal and formal assessment strategies and demonstrates how to select appropriate assessment tools aligned with the intended purpose

Designed to serve as a core text for early childhood assessment courses with suggested instructor and class activities included at the end of each chapter the book presents relevant research and anecdotal accounts of how effective teachers can ethically administer assessments to young children and plan learning progressions for students that enhance and promote continued learning Moreover the text suggests strategies to communicate the score results to colleagues parents and students Reflective of current content standards including the Common Core State Standards Fundamentals of Early Childhood Assessment Data Documentation and Delivery is essential reading for new and preservice teachers learning to design and conduct effective reliable ethical and valid assessments for young learners
