Wiley, Terry D. Warfield, 2025-02-10 Intermediate Accounting continues to be the gold standard when it comes to helping students connect the what, how, and why of accounting. With strategic content updates for currency and the inclusion of topics that will resonate with today's students, the 14th Canadian Edition presents an active, hands-on approach designed to develop problem-solving skills and better prepare the next generation of accounting professionals. To promote a deeper understanding of course concepts, the text provides students with scaffolded, high-quality assessments and integrated practice opportunities at the point of learning. Integrated Cases and Research and Analysis questions help students take their understanding further, as well as teaching them how to analyze business transactions, apply IFRS and ASPE, and explore the ways in which accounting standards impact real companies. Throughout the text, students will also have the chance to work through a variety of hands-on activities and resources, including Analytics in Action Features with real-world applications and Data Analytics problems. These applications help students build confidence in their critical thinking skills while simultaneously preparing them for the ever-evolving landscape of the accounting industry. **Solutions Manual to Accompany Accounting Principles: Chapters 14-27** Jerry J.
