

Raccoon Rex

By Kurt Shermeyer

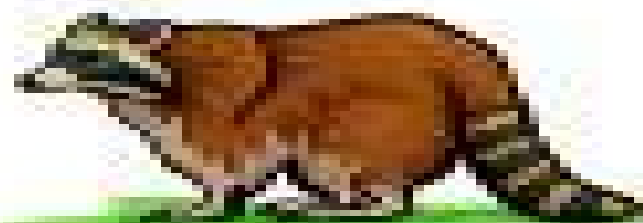

I usually say bigger, but sometimes
I describe someone as powerful
I sometimes like someone more
I don't think as much of someone

I speak that person's language
I know it just from looking
I know they sound like they speak
I don't think of anyone's language

I speak like the first someone I met
I don't think of anyone's language
I don't think of anyone's language
I don't think of anyone's language

I speak with the language of the world
I speak with the language of the world
I speak with the language of the world
I speak with the language of the world

I speak with the language of the world
I speak with the language of the world
I speak with the language of the world
I speak with the language of the world
