Essays Towards a Bibliography of Woodrow Wilson Princeton University. Library,1923 Essays and Reviews Victor Shea,William Whitla,2000 *Essays and Reviews* is a collection of seven articles that appeared in 1860 sparking a Victorian culture war that lasted for at least a decade With pieces written by such prominent Oxford and Cambridge intellectuals as Benjamin Jowett Mark Pattison Baden Powell and Frederick Temple later archbishop of Canterbury the volume engaged the relations between religious faith and current topics of the day in education the classics theology science history literature biblical studies hermeneutics philology politics and philosophy Upon publication the church the university the press the government and the courts both ecclesiastical and secular joined in an intense dispute The book signaled an intellectual and religious crisis raised influential issues of free speech and questioned the authority and control of the Anglican Church in Victorian society The collection became a best seller and led to three sensational heresy trials Although many historians and literary critics have identified *Essays and Reviews* as a pivotal text of high Victorianism until now it has been almost inaccessible to modern readers This first critical edition edited by Victor Shea and William Whitla provides extensive annotation to map the various positions on the controversies that the book provoked The editors place the volume in its complex social context and supply commentary background materials composition and publishing history textual notes and a broad range of new supporting documents including material from the trials manifestos satires and contemporary illustrations Not only does such an annotated critical edition of *Essays and Reviews* indicate the impact that the volume had on Victorian society it also sheds light on our own contemporary cultural institutions and controversies Real Essays with Readings with 2009 MLA Update Susan Anker,2009-06-23 Click here to find out more about the 2009 MLA Updates and the 2010 APA Updates *Real Essays with Readings* is the essay level book in Susan Anker's highly successful series of writing texts that motivate students with their message that writing is an essential skill in college and in real life and that this skill is achievable Anker's advice examples and assignments show the relevance of writing to all aspects of students lives and profiles of former students prove that success is attainable Like all the books in the Anker series *Real Essays* presents writing in logical manageable increments step by step writing guides and a focus on the four basics of each mode of writing keep students from becoming overwhelmed *Real Essays* maintains its emphasis on what really matters by focusing on the four most serious errors fragments run ons subject verb agreement problems and verb form problems *Real Essays* gives students what they need to succeed in college and become stronger academic writers **Rethinking the Value of Humanity** Sarah Buss,L. Nandi Theunissen,2023 It is widely agreed that to treat some human beings as less worthy of concern and respect than others is to lose sight of their humanity But what does this moral blindness amount to The essays in this volume offer a wide range of competing yet overlapping answers to this question Some essays appeal to distinctively human capacities

Others argue that our obligations to one another are ultimately grounded in self interest or certain shared interests or our natural sociability This rich selection of proposals encourages us to rethink some of our own deepest assumptions about the moral significance of being human

Imagining the Jewish God Leonard Kaplan,Ken Koltun-Fromm,2016-09-09 Jewish art has always been with us but so has a broader canvas of Jewish imaginings in thought in emotion in text and in ritual practice Imagining the Jewish God was there in the beginning as it were engraved and embedded in the ways Jews lived and responded to their God This book attempts to give voice to these diverse imaginings of the Jewish God and offers these collected essays and poems as a living text meant to provoke a substantive and nourishing dialogue A responsive living covenant lies at the heart of this book a covenantal reciprocity that actively engages the dynamics of Jewish thinking and acting in dialogue with God The contributors to this volume are committed to this form of textual reasoning even as they all move us beyond the text as foundational for the imagined people of the book That people we submit lives and breathes in and beyond the texts of poetry narrative sacred literature film and graphic mediums We imagine the Jewish people and the covenant they respond to as provocative intimations of the divine The essays in this volume seek to draw these vocal intimations out so that we can all hear their resonant call

College Writing and Beyond Anne Beaufort,2008-02-06 Composition research consistently demonstrates that the social context of writing determines the majority of conventions any writer must observe Still most universities organize the required first year composition course as if there were an intuitive set of general writing skills usable across academic and work world settings In College Writing and Beyond A New Framework for University Writing Instruction Anne Beaufort reports on a longitudinal study comparing one student s experience in FYC in history in engineering and in his post college writing Her data illuminate the struggle of college students to transfer what they learn about general writing from one context to another Her findings suggest ultimately not that we must abolish FYC but that we must go beyond even genre theory in reconceiving it Accordingly Beaufort would argue that the FYC course should abandon its hope to teach a sort of general academic discourse and instead should systematically teach strategies of responding to contextual elements that impinge on the writing situation Her data urge attention to issues of learning transfer and to developmentally sound linkages in writing instruction within and across disciplines Beaufort advocates special attention to discourse community theory for its power to help students perceive and understand the context of writing
