George Washington on Coins and Currency Heinz Tschachler, 2020-07-27 George Washington is the most popular subject on coins medals tokens paper money and postage stamps in America Attempts to eliminate one dollar bills from circulation replacing them with coins have been unsuccessful Americans reluctance to part with their Georges are beyond rational considerations but tap into deep felt emotions To discard one dollar bills means discarding the metaphorical Father of His Country Alexander Hamilton the nation s first Secretary of the Treasury said that monetary tokens were vehicles of useful impressions This numismatic history of George Washington traces the persistence of his image on American currency These images are mostly from the late 18th century This book also offers a close look at the pictorial tradition in which these images are rooted Notes and Queries ,1927 *Notes and Gleanings* ,1890 *Notes and Queries: a Medium of Inter-communication for Literary Men, Artists, Antiquaries, Genealogists, Etc* ,1897 **Facts and Fictions about Coins** Leon Lindheim,1967 A collection of questions and answers concerning all aspects of coin collecting the history of coins and other materials that have been used as legal tender **A History of the Federal Reserve, Volume 1** Allan H.
