My 32,000 Mile Cross Country Trip Darlene Rutkowski, 2019-09-04 This author was surprised to learn that her five and a half month trip around the great USA put over thirty two thousand miles on her Jeep Family and friends were also amazed This author is aware that other individuals have taken similar trips such as this one However this one is unique in that this author did it alone at the age of sixty five and for five and a half months Just the thought of checking in and out of hotels almost every day during these months is enough to turn someone off from this type of trip However this author found ways to deal with it such as regularly scheduled weekly phone calls with some family and friends Also after time the standard breakfasts served daily at these hotels became boring so this author would go to a local restaurant for breakfast for a different menu choice This author encourages everyone retired or not to explore the great USA by a vehicle of some type Each state has much beauty and many sites to see which definitely enriches one s life and perspective of the world
