

7. QUICK USER GUIDE

This appliance automatically adjusts the level of the water to the type and quantity of washing. This system gives a reduction in energy consumption and a saving in washing times.

Program selection

- Turn on the appliance and select the required program.
- Adjust the washing settings if necessary and select the required options.

DRYING (WASHER-DRYERS only)

If you would like the drying cycle to begin automatically after washing, select the washing programme required and select the drying cycle. Or you can finish the wash and then select the drying programme.

- Press the programme start button.
- The end of the programme will be indicated by a message on the display (on some models, all the indicator lights on the stage will light up).
- Turn off the appliance.

For any type of wash, see the program table and follow the operating sequence as indicated.
