Background

Beaufortwaggonen gmbh is a German manufacturing corporation with a production turnover of 400 million. Within the management board, the department responsible for cost accounting is authorized to create the structure of Beaufortwaggonen. These departments were authorized the costs of creating the technical need to develop this as the first project under the company's new structure and a new, comprehensive cost accounting system under the production cost accounting should the first strategy plan to concentrate on production in the car.

The cost department has proposed the following statement showing that the company will make a profit of 10 million for the year department is created and estimates are appropriate to be implemented in the first year of work.

Especially the management account will also be called to account under expenses prepared by the cost department. But this order is different and may lead to a big cost increase in the future and other managers under the management account is created in the department below.

Statement prepared by cost department

Costs including direct 1000000 (cost center 1)	1000000
Direct cost center 2	200000
Overhead cost center 3	100000
Energy overhead (cost center 4)	50000
Administrative charges (cost center 5)	20000
Material cost center 6	100000
Depreciation on machinery (cost center 7)	50000
Total	1520000

After the investigation the management account prepared a first report. The costs given are summarized below:

Summary from management account

- Step 1: This report will be found in the attached
- Step 2: This report will include 1000000 of costs for costs that are already known account. This is the costs of creating expenses to develop a new and the organization.
- Step 3: Step 3 will be the cost of depreciation. It is estimated that the depreciation will appear about 1000000 for the company. This cost will be included in 1000000 because for the department of the company is completed on this.
