[A Guide to Southern Utah's Hole-In-the-Rock Trail](#) Stewart Aitchison, 2026-07-31 New Edition. In 1879, 230 settlers in southwestern Utah heeded the call from leaders of the Church of Jesus Christ of Latter-day Saints to pull up stakes and move to the distant San Juan country of southeastern Utah. Their year-long journey became one of the most extraordinary wagon trips ever undertaken in North America; their trail, one of peril, difficulty, and spectacular vistas. Beginning in Cedar City, Utah, this trail crosses today's Dixie National Forest, skirts Bryce Canyon National Park, bisects the Grand Staircase-Escalante National Monument, crosses the Glen Canyon National Recreation Area, and comes close to Natural Bridges National Monument on its way to Bluff, Utah. Though the trail that these devoted pioneers broke across raw frontier was used for several years afterward, no highway was

built over most of the route because it was deemed too rugged for modern vehicles In addition to the historical value of the story of these pioneers this guide includes road logs maps and hiking trails along the historic trail It also points out fascinating natural history along the way making *A Guide to Southern Utah's Hole in the Rock Trail* a significant reference for a variety of readers Fodor's Utah Fodor's Travel Guides,2018-06-19 For a limited time receive a free Fodor's Guide to Safe and Healthy Travel e book with the purchase of this guidebook Go to [fodors.com](https://www.fodors.com) for details Written by local experts Fodor's travel guides have been offering advice and professionally vetted recommendations for all tastes and budgets for 80 years Utah is a top destination for skiers and hikers history buffs and adventurers and caters to those who enjoy the finer things in life With outstanding geological formations and ever reaching landscapes its natural wonders which tourists can either climb over or drive through are unparalleled from salt flats to red rock canyons and the desert to the Rocky Mountains Shopping and entertainment hubs exist in the picturesque small towns across the state and innovative culinary creations await visitors throughout Utah This travel guide includes **ULTIMATE EXPERIENCES GUIDE** contains a brief introduction and spectacular color photos that capture the ultimate experiences and attractions throughout Switzerland **UP TO DATE COVERAGE** New restaurants and hotels in top areas like Salt Lake City Park City and the communities surrounding the national parks **SPECIAL FEATURES** The best places to hike bike ski raft fish and horseback ride are covered in the Outdoor Adventures section along with tips on what to wear and when to go The Great Itineraries section offers a road trip for the national parks a plan for seeing Salt Lake City's highlights and suggestions for hitting the ski slopes The best places to spot petroglyphs and dinosaur fossils are also covered Each national park Arches Bryce Canyonlands Capitol Reef and Zion has its own chapter with information on scenic drives top hikes and places to eat and stay within the parks **INDISPENSABLE TRIP PLANNING TOOLS** Convenient overviews present each region and its highlights and chapter planning sections have good advice for making the most of your time and getting around by car **SPECIAL EVENT COVERAGE** The renowned Sundance Film Festival takes place annually in downtown Park City Utah every January attracting movie stars and independent filmmakers from all over the world **DISCERNING RECOMMENDATIONS** Fodor's Utah offers savvy advice and recommendations from local writers to help travelers make the most of their visit Fodor's Choice designates our best picks in every category **COVERS** Salt Lake City Park City and the Southern Wasatch North of Salt Lake City Dinosaurland and Eastern Utah Capitol Reef National Park Zion National Park Bryce Canyon National Park Southwestern Utah Arches National Park Canyonlands National Park Moab and Southeastern Utah *Adventure Guide to Utah* Madeleine Osberger,Steve Cohen,1996 This guide is part of a series focusing on outdoor activities such as hiking biking rock climbing horseback riding downhill skiing parasailing backpacking waterskiing and scuba diving Historical and other background information is provided as well as comprehensive travel details **The Rough Guide to Southwest USA (Travel Guide eBook)** Rough Guides,2021-10-01 The Rough Guide to the Southwest USA Make the most of your time on Earth with the ultimate travel
