Sweatshop Strife Ruth A. Frager, 1992-11-06 In the first half of the twentieth century many of Toronto s immigrant Jews eked out a living in the needle trade sweatshops of Spadina Avenue In response to their exploitation on the shop floor immigrant Jewish garment workers built one of the most advanced sections of the Canadian and American labour movements Much more than a collective bargaining agency Toronto s Jewish labour movement had a distinctly socialist orientation and grew out of a vibrant Jewish working class culture Ruth Frager examines the development of this unique movement its sources of strength and its limitations focusing particularly on the complex interplay of class ethnic and gender interests and identities in the history of the movement She examines the relationships between Jewish workers and Jewish manufacturers as well as relations between Jewish and non Jewish workers and male and female workers in the city s clothing industry In its prime Toronto s Jewish labour movement struggled not only to improve hard sweatshop conditions but also to bring about a fundamental socialist transformation It was an uphill battle Drastic economic downturns hard employer offensives and state repressions all worked against unionists workplace demands Ethnic gender and ideological divisions weakened the movement and were manipulated by employers and their allies Drawing on her knowledge of Yiddish Frager has been able to gain access to original records that shed new light on an important chapter in Canadian ethnic labour and women s history

Landmark of the Spirit Annie Polland, 2009-01-01 New York City s magnificent Eldridge Street Synagogue was built in 1887 in response to the great wave of Jewish immigrants who fled persecution in eastern Europe Finding their way to the Lower East Side the new arrivals formed a vibrant Jewish community that flourished from the 1850s until the 1940s Their synagogue served not only as a place of worship but also as a singularly important center in the development of American Judaism A near ruin in the 1980s that was recently reopened after a massive twenty year restoration the Eldridge Street Synagogue has been named a National Historic Landmark But as Bill Moyers tells us in his foreword the synagogue is also a landmark of the spirit the spirit of a new nation committed to the old idea of liberty Annie Polland uses elements of the building s architecture the facade the benches the grooves worn into the sanctuary floor as points of departure to discuss
