Souvenirs De Guerre Tome I:

Souvenirs Militaires De La République Et De l'Empire Tome I Général Baron Pierre Berthezène, 2014-06-13

Souvenirs militaires de la République et de l'Empire Paris Dumaine 1855 2 vol in 8 Portr Bon r cit de la seconde campagne d Italie pp 85 108 et surtout des opérations en Prusse et de l'occupation du pays recensement des ressources donations problème de la monnaie pp 111 168 Nombreux détails mais des inexactitudes sur la campagne d Autriche pp 169 270 l'expédition d Anvers pp 273 283 La guerre en Russie occupe les dernières pages du tome I et le début du tome II La campagne de 1813 est galement racontée de façon détaillée A peu près rien en revanche sur la campagne de France Les souvenirs s'achèvent sur les opérations de 1815 C'est par cette partie que Berthezène avait commencé la rédaction de ses mémoires en 1816 Malgré quelques erreurs il a l'avantage sur d'autres généraux de s'attacher à décrire les pays occupés ou envahis p 16 Professeur Jean Tulard Bibliographie Critique Des Mémoires Sur Le Consulat Et L'Empire Droz Genève 1971 *Der Weltkrieg, 1914 Bis 1918*

Reichsarchiv (Germany), 1926 , **The Siege of Sevastopol, 1854-1855** Anthony Dawson, 2017-06-30 A history of the grueling Crimean War battle as told through personal accounts of those who fought there The Crimean War the most destructive and deadly war of the nineteenth century has been the subject of countless books yet historian Anthony Dawson has amassed an astonishing collection of previously unknown and unpublished material including numerous letters and private journals Many untapped French sources reveal aspects of the fighting in the Crimea that have never been portrayed before The accounts demonstrate the suffering of the troops during the savage winter and the ravages of cholera and dysentery that resulted in the deaths of more than 16 000 British troops and 75 000 French Whilst there is graphic first hand testimony from those that fought up the slopes of the Alma in the valley of death at Balaklava and the fog of Inkerman the book focusses upon the siege the great artillery bombardments the storming of the Redan and the Mamelon and the largest man made hole in history up to that time when the Russians blew up the defences they could not hold with their own men inside The Siege of Sevastopol also highlights for the first time the fourth major engagement in the Crimea the Battle of the Tchernaya in August 1855 the Russians last great attempt to break the siege This predominantly French fought battle has never before been examined in such in English language books Praise for The Siege of Sevastopol 1854 1855 In this fascinating book the voices of men involved in the war in the Crimea are heard for the first time Compelling and intriguing stuff Books Monthly The author has collected a large amount of previously unpublished material for this new work Entries from private letters and journals are mixed with French sources previously unused in the English speaking world The result is a work that effectively conveys the thoughts and experiences of the participants to the reader Warfare History Network **General Maurice Sarrail, 1856-1929** Jan Karl Tanenbaum, 2018-08-25 Commander of the French Third Army at the Battle of the Marne commander of the Allied Eastern Army in 1916 17 and high commissioner to Syria and Lebanon in 1924 25 Sarrail was one of the most controversial figures of the Third French Republic because of his deep involvement with domestic

politics Unlike the majority of twentieth century military officers however he was an ardent supporter of Republican ideals and closely associated with the political Left Originally published 1974 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value Romania during the World War I Era Kurt

Treptow,2022-09-01 One of the most dramatic periods in modern history the World War I era also marked a turning point in Romanian history This volume is a collection of studies presented by Romanian American and British scholars at the Fourth International Conference of the Center for Romanian Studies held in Iasi and Focsani Romania from 22 27 June 1998 on the occasion of the eightieth anniversary of the end of the great world conflict Articles included Mark Axworthy Through British Eyes Romanian Military Performance in World War I Catalin Turliuc Major Factors which Determined the Conduct of the Great War Valeriu Florin Dobrinescu Ion I C Bratianu The Genius of Greater Romania Diana Fotescu Regina Maria si razboiul de intregire nationala Constantin Hlihor Romania within the Geopolitics of the Great Powers of Europe between 1918 1919 Nicholas M Nagy Talavera Iorga s Role during the Great War 1914 1918 Demetrius Dvoichenko de Markov The Anti Communist White Guards and Romania 1918 Ernest H Latham Jr We Will Do Business Romania and the Baldwin Locomotive Works Kurt W Treptow John Reed and Romania in 1915 Costica Prodan Unele consideratii privind participarea Romaniei la primul razboi mondial 1916 1918 and many others **Those Who Hold Bastogne** Peter Schrijvers,2014-11-04 The

acclaimed World War II historian delivers a panoramic and compelling boots on the ground illumination of one of the Bulge s most epic battles Patrick K O Donnell author of Washington s Immortals Hitler s last gamble the Battle of the Bulge was intended to push the Allied invaders of Normandy all the way back to the beaches The plan nearly succeeded and almost certainly would have were it not for one small Belgian town and its tenacious American defenders who held back a tenfold larger German force while awaiting the arrival of Gen George Patton s mighty Third Army In this dramatic account of the 1944 45 winter of war in Bastogne historian Peter Schrijvers offers the first full story of the German assault on the strategically located town From the December stampede of American and Panzer divisions racing to reach Bastogne first through the bloody eight day siege from land and air and through three more weeks of unrelenting fighting even after the siege was broken events at Bastogne hastened the long awaited end of WWII Schrijvers draws on diaries memoirs and other fresh sources to illuminate the experiences not only of Bastogne s three thousand citizens and their American defenders but also of German soldiers and commanders desperate for victory The costs of war are revealed uncovered in the stories of those who perished and those who emerged from battle to find the world forever changed A fast paced story Schrijvers does an admirable job of weaving personal accounts into the larger picture of Bastogne s horrors The Wall Street Journal Pulse pounding The first thorough treatment of the famous battle for Bastogne John C McManus author of Fire and Fortitude

The United States, Revolutionary Russia, and the Rise of Czechoslovakia Betty Miller Unterberger, 2000 The First World War and the Bolshevik Revolution in Russia set the stage on which Woodrow Wilson had to direct U S policy toward Czechoslovakia as it sought liberation in the early twentieth century Betty Unterberger's now classic study of the ferment of this period and the way President Wilson dealt with it gives insight into both Great Power relations and the next eighty years of developments in Central Europe A decade after the original publication of *The United States Revolutionary Russia and the Rise of Czechoslovakia* Unterberger has added an updated introduction that reconsiders the region in light of new knowledge gleaned from recently available Soviet Czech and French documents *Bulletin of the Public Library of the City of Boston ...* Boston Public Library, 1918 [Bulletin \[1908-23\]](#) Boston Public Library, 1918 [Histoire et art militaires](#) Joseph-Frédéric Canonge, 1903 *The Triumph of the Dark* Zara Steiner, 2011-03-31 In this magisterial narrative Zara Steiner traces the twisted road to war that began with Hitler's assumption of power in Germany Covering a wide geographical canvas from America to the Far East Steiner provides an indispensable reassessment of the most disputed events of these tumultuous years Steiner underlines the far reaching consequences of the Great Depression which shifted the initiative in international affairs from those who upheld the status quo to those who were intent on destroying it In Europe the 1930s were Hitler's years He moved the major chess pieces on the board forcing the others to respond From the start Steiner argues he intended war and he repeatedly gambled on Germany's future to acquire the necessary resources to fulfil his continental ambitions Only war could have stopped him an unwelcome message for most of Europe Misperception miscomprehension and misjudgment on the part of the other Great Powers leaders opened the way for Hitler's repeated diplomatic successes It is ideology that distinguished the Hitler era from previous struggles for the mastery of Europe Ideological presumptions created false images and raised barriers to understanding that even good intelligence could not penetrate Only when the leaders of Britain and France realized the scale of Hitler's ambition and the challenge Germany posed to their Great Power status did they finally declare war **The Killing Season** Robert Cowley, 2025-09-02 An in depth authoritative account of the fall of 1914 on the Western Front and the First Battle of Ypres a true turning point in World War I and in modern warfare by the founding editor of MHQ The Quarterly Journal of Military History A masterful and heartbreaking book If you want to know how modern warfare began *The Killing Season* is for you Geoffrey C Ward co author of *The Civil War* *The War and The Vietnam War* The Marne may have saved Paris and prevented a devastating setback for the Allies but it did not spell eventual defeat for Germany Ypres did The final months of 1914 were the bloodiest interval in a famously bloody war a killing season They ended with the First Battle of Ypres a struggle in West Flanders Belgium whose importance has been too long overlooked until now Robert Cowley's fresh novelistic account of this crucial period describes how German armies in France were poised to sweep north to capture the Channel ports and knock England out of the war and were only held back by a brilliant improvisation from a cobbled together handful of desperate British French and Belgian troops In a re examination of

events that have too long seemed set in stone Cowley combines a wide array of source materials with sharp portrayals both of military leaders and of the men they led We follow Albert of Belgium the world's last warrior king French General Ferdinand Foch a former professor of military science and Hendrik Geeraert an alcoholic barge keeper who pulled off Albert's literal last ditch effort Many other memorable characters emerge including Sir John French a British commander who displayed his greatest talent for maneuver in the bedroom along with both a young Adolf Hitler and Winston Churchill The vast brawl of four armies in Flanders was a turning point that irrevocably changed the nature of modern warfare In this visceral account based on thirty years of research and picking up where Barbara Tuchman's *The Guns of August* left off Cowley details the crucial decisions that determined the outcome of the Great War which may have been decided by a single extraordinary afternoon

History for Ready Reference... Josephus Nelson Larned, 1913 **History for Ready Reference, from the Best Historians, Biographers, and Specialists** Josephus Nelson Larned, 1895 **Tunnage-Zyp and Supplement** Josephus Nelson Larned, 1895 [History for Ready Reference from the Best Historians](#) Josephus Nelson Larned, 1901 *The Franco-Prussian War* Michael Howard, 2021-05-16 In 1870 the German Chancellor Otto von Bismarck ordered the Prussian Army to invade France inciting one of the most dramatic conflicts in European history It transformed not only the states system of the European continent but the whole climate of European moral and political thought The overwhelming triumph of German military might evoking general admiration and imitation introduced an era of power politics which was to reach its disastrous climax in 1914 Michael Howard's *The Franco Prussian War* is widely acclaimed as a classic and the definitive history of one of the most dramatic and decisive conflicts in the history of Europe Evoking a palpable sense of the struggle and the high stakes of the war Howard analyses the tactics political dynamics morale and actions that determined the course of the conflict He also describes the crucial role played by key figures in the war including Bismarck the Prussian military commander Helmuth Von Moltke and the French generals MacMahon Chanzy and Trochu He also sheds fascinating light on how difficult it was to bring the war to an end with extremists in both France and Prussia pushing to prolong the conflict A tour de force of both European and military history *The Franco Prussian War* is a superb account of this dramatic and hugely important conflict ideal for the student historian and general reader alike This Routledge Classics edition includes a new Foreword by Bertrand Taithe **Milan Rastislav Štefánik** Michal Kšíňan, 2021-04-26 This is the first scientific biography of Milan Rastislav Štefánik 1880-1919 that is focused on analysing the process of how he became the Slovak national hero Although he is relatively unknown internationally his contemporaries compared him to Choderlos de Laclos for the use of military tactics in love affairs to Lawrence of Arabia for vision to Bonaparte for ambition and to one of apostles for conviction He played the key role in founding an independent Czechoslovakia in 1918 through his relentless worldwide travels during the First World War in order to create the Czechoslovak Army he visited Serbia and Romania on the eve of invasion by the Central Powers Russia before the February

revolution the United States after it declared war on Germany Italy dealing with the consequences of defeat in the Caporetto battle and again when Russia plunged into Civil War Several historical methods are used to analyse the aforementioned central research question of this biography such as social capital to explain his rise in French society the charismatic leader to understand how he convinced and won over a relatively large number of people more traditional political military and diplomatic history to show his contribution to the founding of Czechoslovakia and memory studies to analyse his extraordinary popularity in Slovakia By mapping his intriguing life the book will be of interest to scholars in a broad range of areas including history of Central Europe especially Czechoslovakia international relations social history French society at the beginning of the 20th century and biographical research

French Generals of the Great War Jonathan Krause, William Philpott, 2023-06-30 Who were the senior generals who took France through the First World War and why do we know so little about them They commanded the largest force on the Western Front through both humiliating defeats and forgotten victories they won international respect and adoration but also led their army to infamous mutiny Nevertheless the French and their allies under a French General in Chief would eventually achieve final victory over Imperial Germany It is extraordinary that this remarkable group of men has been so neglected in histories on the war Previous studies are outdated and haven't tapped the wealth of primary source material in France's military archives It is this gap in the literature and in the understanding of the conflict that this thought provoking and original volume is designed to address It takes a collective biographical approach to the leading French soldiers who ran the war on the Western Front

Souvenirs De Guerre Tome I Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the energy of words has become more evident than ever. They have the capability to inspire, provoke, and ignite change. Such could be the essence of the book **Souvenirs De Guerre Tome I**, a literary masterpiece that delves deep into the significance of words and their impact on our lives. Published by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we shall explore the book's key themes, examine its writing style, and analyze its overall affect readers.
