Johnny is misconstrued and Johnny accidentally kills him but is able to cover it as suicide **The Texarkana Moonlight Murders** Michael Newton,2013-05-28 In 1946 years before the phrase serial murder was coined a masked killer terrorized the town of Texarkana on the Texas Arkansas border Striking five times within a ten week period always at night the prowler claimed six lives and left three other victims wounded Survivors told police that their assailant was a man but could supply little else A local newspaper dubbed him the Phantom Killer and it stuck Other reporters called the faceless predator the Moonlight Murderer though the lunar cycle had nothing to do with the crimes Texarkana s phantom was not America s first serial slayer he certainly was not the worst either in body count or sheer brutality But he has left a crimson mark on history as one of those who got away Like the elusive Axeman of New Orleans Cleveland s Mad Butcher of Kingsbury Run and San Francisco s Zodiac Killer the Phantom Killer left a haunting mystery behind This is the definitive story of that mystery

Lilith'S Reflection Brigitte Wynn Karey,2012-06-27 Liliths Reflection explores the concept of possibilities rather than facts If facts dominate most of our daily thinking wed leave out possibilities that might exist in our livethe unseen from other dimensions that intercept our paths of life Things or events exist for a reason and there is more than one way to look into every situation Lilith was introduced as an orphan and a tragic victim who was abandoned by her psychopathic father at the age of six She was mentally not well she thought at first Now she realized her condition has never been that simple Her illness wasnt strong enough to poison her mind but something else was Her mental illness was just the image she portrayed to others but her true self was far beyond her sickness Love in this novel is represented in an unnoticeable and unusual way rather than in a traditional way There is no such thing as the correct or the wrong way of loving someone Love could be in holiness or love could be in such sinfulness but love is love Lilith after countless struggles with her search for true love she had found not only her greatest love of all but also her true soul mate not for one life but for eternity Author Brigitte Wynn Karey is a lover of words The author expresses her thoughts not only to her audiences but also to herself Her ability to use words to express her thoughts creatively in her own way was excellent The imagination created in this book would let the audiences enjoy their mental imaginary visions as well as to open up the possibilities that they might have missed out

Defending Gary Mark Prothero, 2008-03-11 At first Mark Prothero, Defense Attorney for Gary Ridgway, thought this can't be the Green River Killer. He's too ordinary. He's too small. He's too calm. He's too polite. He can't possibly have murdered forty-nine women. They can't be serious. They must have screwed up. I didn't realize then, but I was right. Gary Ridgway hadn't killed forty-nine women. He'd killed even more than that. Soon Mark Prothero faced the question: How could you possibly defend the most prolific serial killer in United States history, the infamous Green River Killer? If anyone deserved to be executed for his crimes, didn't he? Mark Prothero, co-lead defense attorney who helped save Gary Ridgway from the death sentence, has heard that question many times. Now he's written a book that reveals the true inside story of exactly how an idealistic public defender, high school swim coach, husband, and dad could bring himself to spend many months of close confinement with a man who brutally murdered at least 75 young women, often in the act of sex. *Defending Gary* shows how Prothero could reconcile these monstrous acts, knowing the reality of this unassuming fellow, Gary Ridgway: a mild-mannered, church-going, devoted husband, father, and former Navy man with an IQ of around 82 and a longtime job as a truck painter from Auburn, Washington, near Seattle.
