The Gospel and the Grateful Dead The Rev. Dr. Pitman B. Potter,2014-04-24 This book examines the linkages between the music and message of the Grateful Dead and the Christian gospel The Grateful Dead emerged from the San Francisco hippie scene in the late 1960s and offered a message of community and divine encounter While the Dead drew on the teachings of many spiritual traditions the band s ethos echoed quite powerfully the wisdom of Christian Scripture This reflection examines the ways in which the Grateful Dead embodied Christian teachings in areas of community praise and service The Grateful Dead left an enduring legacy whose power and longevity stem in significant part from the confluence of values between the Gospel and Grateful Dead

Then Sings My Soul Douglas Harrison,2012-05-15 In this ambitious book on southern gospel music Douglas Harrison reexamines the music s historical emergence and its function as a modern cultural phenomenon Rather than a single rhetoric focusing on the afterlife as compensation for worldly sacrifice Harrison presents southern gospel as a

network of interconnected messages that evangelical Christians use to make individual sense of both Protestant theological doctrines and their own lived experiences Harrison explores how listeners and consumers of southern gospel integrate its lyrics and music into their own religious experience building up individual and potentially subversive meanings beneath a surface of evangelical consensus Reassessing the contributions of such figures as Aldine Kieffer James D Vaughan and Bill and Gloria Gaither Then Sings My Soul traces an alternative history of southern gospel in the twentieth century one that emphasizes the music's interaction with broader shifts in American life beyond the narrow confines of southern gospel's borders His discussion includes the gay gospel paradox the experience of non heterosexuals in gospel music as a cipher for fundamentalism's conflict with the postmodern world Billboard ,1997-07-12 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
