know or think we know about life death consciousness and the meaning of the universe When people die by accident in violence or maybe they re drunk stoned or angry they get freeze framed Even if they die naturally but have no clue what to expect they might not notice they re dead It s frustrating to see and not be seen It s frustrating not to know what you re supposed to do next It s especially frustrating to be in someone else s body and think it s your own That s if you re dead If you re alive and that spirit has attached itself to you well that s a whole other set of frustrations Wally Johnston a behavioral psychologist first started working with a medium in the 70s to help spirits move on to the next stage Some years after that Ruth Johnston an academic psychiatric nurse who d become interested in new consciousness and alternative healing began working with Wally to clear spirits who weren t moving on These hitchhikers had attached themselves to the auras of living relatives or strangers in an attempt to hold on to a physical existence they no longer need Through her pendulum Ruth obtains permission from the higher self of both hitchhiker and host to work with them Then Wally speaks with them gently but firmly to make sure they know they are no longer welcome to inhabit the bodies and wreak havoc on the lives of the living Hill has woven this fascinating story with the history and theory of what happens at death with particular emphasis on the last 40 years and the work of such groundbreaking thinkers as Elmer Green Raymond Moody William James Aldous Huxley Edith Fiore Martha Rogers Mark Macy Elisabeth Kubler Ross Bruce Lipton and a host of others whose work helps inform our idea of what it is to live and to die As it turns out our best defense against hitchhikers is to live consciously And our best chance of doing that is by paying attention and staying open to possibilities

The Leviathan Factor Lawrence E. Burkholder,2017-01-12 The Leviathan Factor tells the incredible story of how Satan created as Lucifer the morning star self transformed into Leviathan God s serpentine arch foe When he tried to achieve immortality by tweaking creation s lowest level laws a sophisticated computer automaton he created death instead As the serpent he reappeared in the Genesis tree of good and evil where he seduced humans to attempt immortality apart from covenant with God Leviathan is responsible for the false belief that we each have an inner divine spark which when reconnected to our ego awakens our true inherent divinity Unfortunately he and his demonic spirits also impact our minds bodies and environment as psi A few of the many markers of these demonic psi are levitation telepathy

telekinesis deja vu emotional oppressions poltergeist activities past lives memories voices and visions near death and out of body experiences and trance channeling Many of these psi phenomena are co factors in mind disorders such as schizophrenia or epilepsy Manifestations in Christian circles include false tongues and holy laughter The Leviathan Factor is not a healing how to It is the first book to place demonic evil into the context of creation s basic structures and laws *The Rite* Matt Baglio,2010-06-15 The inspiration for the film starring Anthony Hopkins journalist Matt Baglio uses the astonishing story of one American priest s training as an exorcist to reveal that the phenomena of possession demons the Devil and exorcism are not merely a remnant of the archaic past but remain a fearsome power in many people s lives even today Father Gary Thomas was working as a parish priest in California when he was asked by his bishop to travel to Rome for training in the rite of exorcism Though initially surprised and slightly reluctant he accepted this call and enrolled in a new exorcism course at a Vatican affiliated university which taught him among other things how to distinguish between a genuine possession and mental illness Eventually he would go on to participate in more than eighty exorcisms as an apprentice to a veteran Italian exorcist His experiences profoundly changed the way he viewed the spiritual world and as he moved from rational skeptic to practicing exorcist he came to understand the battle between good and evil in a whole new light Journalist Matt Baglio had full access to Father Gary over the course of his training and much of what he learned defies explanation The Rite provides fascinating vignettes from the lives of exorcists and people possessed by demons including firsthand accounts of exorcists at work casting out demons culminating in Father Gary s own confrontations with the Devil Baglio also traces the history of exorcism revealing its rites and rituals explaining what the Catholic Church really teaches about demonic possession and delving into such related topics as the hierarchy of angels and demons satanic cults black masses curses and the various theories used by modern scientists and anthropologists who seek to quantify such phenomena Written with an investigative eye that will captivate both skeptics and believers alike The Rite shows that the truth about demonic possession is not only stranger than fiction but also far more chilling *Illuminating the Narrow Gate* Karl R. Luther,2022-01-17 Do you desire the truth about God our foremost religions the purpose of life and the future of our planet If so *Illuminating the Narrow Gate* will guide and empower you to fulfill your destiny of transcending the darkness and embracing an enlightened spirituality Blessed with astonishing insights and revelations this revolutionary book heralds a global awakening and the inevitable doom of institutional religion Volume II contains 15 appendixes that substantiate and enhance the revelations of Volume I Appendixes A Reincarnation and B Spirit Possession present scientific and clinical evidence that demonstrates the reality of those phenomena The next three appendixes are primarily dedicated to dating the Book of Daniel Leveraging the breakthrough of *Illuminating the Narrow Gate* s paradigm shift Appendix D Redirecting the Debate About Daniel decimates the prevailing scholarly conclusion that Daniel s prophecies were a hoax written in the 2nd century BCE Instead this book within a book proves they were penned as advertised in the 6th century BCE while debunking the fundamentalist view that the biblical

book is inerrant The next six appendixes primarily present ancient history that demonstrates the fulfillment of prophetic passages from Daniel Four of them Appendix F The Beast With Ten Horns Appendix G Constantine the Great Appendix J The King of the End Times and Appendix K Understanding the 69 Sevens deliver the spine tingling details of how the future was foretold with stunning accuracy and precision for five centuries after the date when all scholars agree Daniel was on the historical record 160s BCE Appendix L The Catholic Church in the 20th Century shows that although the Church no longer champions crusades sequesters Jews in ghettos or tortures and kills those who believe differently its underlying darkness has continued unabated The majority of this other book within a book details how the Vatican helped Benito Mussolini and Adolf Hitler gain dictatorial power and then made strategic alliances with them ignored their pre war crimes and assaults upon the Jews sanctioned their predatory aggression upon other nations and turned a blind eye to the Holocaust After illuminating the essence of the papal choices before and during World War II the appendix exposes the criminal nature of the Vatican s subsequent financial affairs It shows how the sudden death of Pope John Paul I in 1978 was most likely a blackmail enabled murder by the Vatican Bank s underworld partners After two short appendixes explain passages from Revelation the book concludes with Appendix O The Impact on Islam It shows how the book s insights are also inscribing the writing on the wall for Islam You don t need to purchase Volume II if you only want the book s core insights and revelations A PDF document of the end matter published in Volume II Endnotes Bibliography Index et al can be downloaded for free from the book s website to make Volume I a self standing book
