It Starts at Home Kurt D. Bruner, Stephen Stroope, 2010-04-01 As Your Children Grow Will Their Faith Grow Too? As both stories and statistics attest, the number of evangelical children who abandon Christianity in adulthood is staggering. To see effective change, parents cannot leave their child's faith to chance. Rather, families must start nurturing faith early; you cannot start once your child is grown; you must start at home. Strengthening family and home life is the best way to encourage your children to maintain a lifelong faith. *It Starts at Home* upholds marriage and family as the proving ground for lasting success. Experienced pastors Kurt Bruner and Steve Stroope provide a clear purpose, an effective strategy, and a simple plan for anyone who wants to be intentional in their homes. Their insights will help leaders recalibrate their priorities by asking them to evaluate their leadership where it counts most. This newly revised edition evaluates the current trends families and young adults face that can contribute to this crisis. Don't let your child's faith fade to memory; learn how you can create a home that will prepare them for lifelong faith.

In *The Book on Leadership*, best-selling author, pastor, and teacher John MacArthur sets the record straight. Leadership does not come from a job title. It isn't a matter of personality or charisma. And it isn't the same thing as iron-fisted authority. True leadership, the kind that refuses to bend to a shifting, fickle world, comes from a much deeper source. Based on the writings of one of the most effective spiritual leaders of all time, the apostle Paul, MacArthur presents the 26
