Dear Editor,

I boarded the bus at 8:00 p.m. There were already about 16 passengers inside the bus. The driver closed the doors, switched off the air conditioner and went off to talk to someone outside the bus. I knocked on the door to ask the driver to switch on the air conditioner. The driver came over, opened the door and angrily shouted at me to get out. He also ordered all the other passengers to get out.

Is this the way to treat the public?
