Sport 1 Russia Tv Guide:

TV Guide Stephen F. Hofer, 2006 This book looks at the origins and growth of television through the pages of TV Guide and covers the complete run of this American icon from the first guides in 1953 to the last issue in guide format on October 9 2005 It includes full color reproductions of every cover ever printed and is both a collector's guide with pricing included and a retrospective view of the medium TV Guide, 2006 Access, 1989 *Film & Television Coll Europe* Kirschner, 2012-11-12 Published in 1995 Film Television is an important contribution to Film and Media TV Guide ... Index, 1979 *Handbook of Sport and Japan* Helen Macnaughtan, Verity Postlethwaite, 2025-10-01 The Handbook of Sport and Japan presents a fascinating collection of established and new scholarship a valuable text for readers who want to use sport as lens to look more closely into a nation The handbook draws on a diversity of perspectives disciplines and experiences all of which respond to the challenge of including sport in the study of Japan The chapters in the handbook convey what taking part in sport feels and looks like highlighting the sporting accomplishments of Japanese athletes and teams while also reflecting how the sporting experience interacts with economics diplomacy media culture demographics gender ethnicity and identity Contributions pose key questions about what conclusions can be made when sport is placed in the foreground of key events in Japanese history including pre war industrialisation and empire building to the post war economic boom the 2011 Tohoku Disaster and the recent COVID 19 pandemic **ABC Sports** Travis Vogan, 2018-11-06 ABC Sports shaped how the world consumes sport The American Broadcasting Company's sports division is behind some of network television's most significant practices celebrated personalities and iconic moments It created the weekend anthology Wide World of Sports transformed professional football into a prime time spectacle with Monday Night Football fashioned the Olympics into a mega media event and even revolutionized TV news Travis Vogan's cultural and institutional history of ABC Sports examines the development of network sports television in the United States and the aesthetic cultural political and industrial practices that mark it ABC Sports traces the storied division from its beginnings through the internet age to reveal the changes it endured along with the new sports media environment it spawned **Understanding the Internet: A Clear Guide to Internet Technologies** Keith Sutherland, 2007-06-07 The Internet continues to grow at a very rapid rate Together with this growth there is an accompanying growth of the technologies on which it is based These technologies make use of TCP IP as their foundation To start to make sense of all these interrelated systems it is important that today's computer user be aware of the technologies on which the Internet is based This book introduces those technologies and is aimed at the Internet user who wishes to understand the technologies on which much of today's business and recreational computing is based As such the intention of this book is to give a succinct overview of how it all works rather than provide a comprehensive reference work This book will help you quickly obtain an understanding of the technological principles behind the Internet communications revolution in both your working and recreational lives and provides a thorough understanding of intranets

extranets and the Internet explains all about how e mail delivers mail the domain name service how the Internet finds computers the problems facing network designers the basics of computer security issues some new technologies such as WAP Bluetooth UMTS and NAPSTER Shows you how your office or home network really works Keith Sutherland is a Microsoft Certified Systems Engineer specialising in TCP IP IIS and SQL server For the last 25 years he has been an independent consultant and lecturer working throughout the IT industry As a result he has trained many thousands of industrial and commercial staff over that period Currently he divides his time between lecturing consultancy and research work His client list includes many Blue Chip companies together with government and international organisations

The Fastest Game in the World Bruce Berglund,2020-12-01 Played on frozen ponds in cold northern lands hockey seemed an especially unlikely game to gain a global following But from its beginnings in the nineteenth century the sport has drawn from different cultures and crossed boundaries between Canada and the United States across the Atlantic and among different regions of Europe It has been a political flashpoint within countries and internationally And it has given rise to far reaching cultural changes and firmly held traditions The Fastest Game in the World is a global history of a global sport drawing upon research conducted around the world in a variety of languages From Canadian prairies to Swiss mountain resorts Soviet housing blocks to American suburbs Bruce Berglund takes readers on an international tour seamlessly weaving in hockey s local national and international trends Written in a lively style with wide ranging breadth and attention to telling detail The Fastest Game in the World will thrill both the lifelong fan and anyone who is curious about how games intertwine with politics economics and culture

Audiovisual Materials ,1980

Moscow Prime Time Kristin Roth-Ey,2011-05-15 When Nikita Khrushchev visited Hollywood in 1959 only to be scandalized by a group of scantily clad actresses his message was blunt Soviet culture would soon consign the

mass culture of the West epitomized by Hollywood to the dustbin of history In *Moscow Prime Time* a portrait of the Soviet broadcasting and film industries and of everyday Soviet consumers from the end of World War II through the 1970s Kristin Roth Ey shows us how and why Khrushchev's ambitious vision ultimately failed to materialize The USSR surged full force into the modern media age after World War II building cultural infrastructures and audiences that were among the world's largest Soviet people were enthusiastic radio listeners TV watchers and moviegoers and the great bulk of what they were consuming was not the dissident culture that made headlines in the West but orthodox made in the USSR content This then was Soviet culture's real prime time and a major achievement for a regime that had long touted easy everyday access to a socialist cultural experience as a birthright Yet Soviet success also brought complex and unintended consequences Emphasizing such factors as the rise of the single family household and of a more sophisticated consumer culture the long reach and seductive influence of foreign media and the workings of professional pride and raw ambition in the media industries Roth Ey shows a Soviet media empire transformed from within in the postwar era The result she finds was something dynamic and volatile a new Soviet culture with its center of gravity shifted from the lecture hall to the living room and a new brand of cultural experience at once personal immediate and eclectic a new Soviet culture increasingly similar in fact to that of its self defined enemy the mass culture of the West By the 1970s the Soviet media empire stretching far beyond its founders wildest dreams was busily undermining the very promise of a unique Soviet culture and visibly losing the cultural cold war *Moscow Prime Time* is the first book to untangle the paradoxes of Soviet success and failure in the postwar media age

World Guide to Television ,1998 *Television & Cable Factbook* ,2005 **F & S Index United States Annual** ,2005 **National Union Catalog** ,1970 Includes entries for maps and atlases **The New York Times Index** ,2004
