

Springboard Unit # 1: The Choices We Make

Unpacking Embedded Assessment # 2

Creating an Illustrated Story

Essential Question: How do authors use narrative elements to create a story?
What are the elements of effective revision?

Learning Goal: Students will work with a partner to create an original story that explores a belief, custom, or natural phenomenon through the actions of gods or heroes. Be sure that your story teaches a lesson or a moral and includes characters that complement the myth or fable.

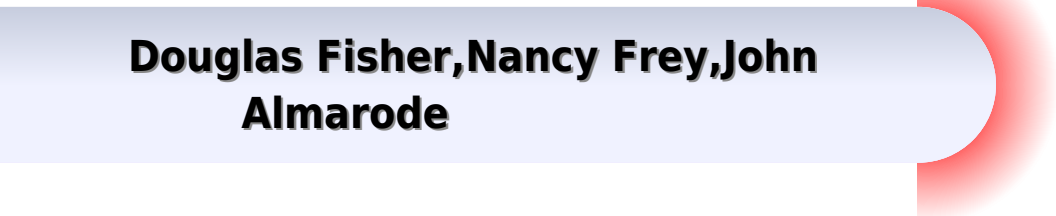

WHAT I NEED TO KNOW	ACHIEVE-IT	WHAT I NEED TO BE ABLE TO DO
Natural Phenomenon		Describe a natural phenomenon and includes the idea of cause while currently teaching a lesson.
Lesson		
Story Elements		Successfully use story elements to engage the reader and lead to a satisfying resolution.
Resolution		
Visual Images		Include visual images that use effective symbolism for the ideas in the myth.
Symbolism		
Plot Structure		Write so that the myth is well organized and clearly follows the plot structure of a story.
Transitions		Use transitions to effectively guide the reader.
Figurative Language		Effectively use figurative language and sensory details to vividly "show" the audience.
Sensory Details
