JVP union alleges trade unionist sacked for attacking corruption Showdown likely at Samundhi Authority

By Renuka Perera

The Samundhi Development Officer, a trade unionist, has been sacked by the JVP union, which has accused him of attacking corruption. The union claims that the officer was dismissed for his alleged involvement in a corruption case. The JVP union has threatened to take legal action against the Samundhi Authority for the dismissal. The union also claims that the officer was a trade unionist and was being targeted for his role in the union.

Sajith group wants its nominee appointed UNP National Organiser

By Renuka Perera

The Sajith group has demanded that its nominee be appointed as the National Organiser of the UNP. The group claims that the current National Organiser is not qualified for the position and that their nominee is more suitable. The group has threatened to withdraw its support from the current National Organiser if their demands are not met. The UNP has refused the demand, stating that the current National Organiser is qualified for the position.

First full year of peace: Economy grows 8%, per capita income up 16.6%

By The Bureau of Economic Research

The first full year of peace in Sri Lanka has seen significant economic growth. The economy grew by 8% in 2013, and per capita income increased by 16.6%. This growth is attributed to the end of the conflict and the resulting stability. The government has implemented various policies to promote economic development, and these have led to the current growth. The growth is expected to continue in the coming years.

Broken heart hurts as much as physical pain

A new study has shown that a broken heart "hurts" as much as physical pain.

The study found that people who experience a broken heart have similar levels of physical pain to those who experience physical injury. This is because the heart is a physical organ, and a broken heart causes physical damage. The study also found that people who experience a broken heart have similar levels of emotional pain to those who experience emotional injury. This is because the heart is also an emotional organ, and a broken heart causes emotional damage. The study suggests that people should take care of their hearts both physically and emotionally.

US forces attack Libyan vessels

American forces have attacked several Libyan vessels in the Mediterranean Sea. The attack was carried out by the US Navy, which claimed that the vessels were carrying weapons and were a threat to US interests. The vessels were sunk, and the US Navy claims that no lives were lost. The attack has led to a diplomatic crisis between the US and Libya.

ICC about to sabotage Colombo anti-terror summit

The International Criminal Court (ICC) is accused of attempting to sabotage the Colombo anti-terror summit. The ICC is alleged to have threatened to prosecute the summit participants, which would have undermined the summit's purpose. The summit is aimed at addressing the issue of terrorism and promoting international cooperation. The ICC's actions are seen as a threat to the summit's success.

Tamil Nationalism in Sri Lanka A.R. Rajah, 2022-10-31 This book examines Tamil nationalism in Sri Lanka and provides insights on how Tamil nationalism has survived the destruction of the Tamil Tigers after May 2009 and continues to thrive despite the absence of a charismatic leadership to lead it or a centralised organisation to mobilise the Tamils along ethnic nationalistic lines The ethnic nationalist ideology shaped up by the Tamil Tigers continues to remain the driving force of the Tamil polity in Sri Lanka and the Diaspora Using a Foucauldian counter historical theoretical framework the author analyses and offers answers to these questions What is keeping Tamil nationalism alive despite the demise of the Tamil Tigers over a decade ago Why do many Tamils in Sri Lanka and abroad refuse to accept a Sri Lankan political identity How are Tamils able to continue on a nationalist path despite the absence of a unified political leadership The book argues that Tamil nationalism has survived the latter's destruction because it has become counter historical It is this that has allowed despite the internecine rivalries between Tamil political parties and Diaspora groups the Tamil nationalist spirit to remain alive The author also suggests that counter history has for many Tamil political parties and Diaspora groups become the means of waging war other than through an armed struggle against the Sri Lankan state Based on field research interviews and documentary analysis the book provides empirical and unique insights on Foucault's thesis that power is multifaceted and can function in the absence of centralised mechanisms This book will be of interest to researchers in the fields of Politics and International Relations in particular those working on ethnic nationalism post armed conflict peacebuilding conflict resolution the politics in Sri Lanka diaspora politics and Foucault

book provides a fresh look at the key challenges of policy formulation for a small country like Sri Lanka in a rapidly globalising world. It goes beyond economics to include history, politics and ideology of different governments of the country over time and extends its analysis to other countries facing similar challenges. The extent and speed of globalisation have been assessed through variables such as foreign direct investment, migration, trade, openness and the macroeconomic policies to take an even keel.

Governance Feminism Janet Halley, Prabha Kotiswaran, Rachel Rebouché, Hila Shamir, 2019-03-26. An interdisciplinary multifaceted look at feminist engagements with governance across the global North and global South. *Governance Feminism: Notes from the Field* brings together nineteen chapters from leading feminist scholars and activists to critically describe and assess contemporary feminist engagements with state and state-like power. Gathering examples from North America, South America, Europe, Asia and the Middle East, it complements and expands on the companion volume *Governance Feminism: An Introduction*. Its chapters argue that governance feminism (GF) is institutionally diverse and globally distributed, emerging from traditional sites of state power as well as from various forms of governance and operating at the grassroots level in the private sector, in civil society and in international relations. The book begins by confronting the key role that crime and punishment play in GFeminist projects. Here contributors explore the ideological and political conditions under which this branch of GF became so robust and rethink the carceral turn. Other chapters speak to another face of GFeminism: feminists finding in mundane and seemingly unspectacular bureaucratic tools leverage to bring about change in policy and governance practices. Several contributions highlight the political, strategic and ethical challenges that feminists and LGBT activists must negotiate to play on the governmental field. The book concludes with a focus on feminist interventions in postcolonial legal and political orders, looking at new policy spaces opened up by conflict, postconflict and occupation. Providing a clear, cross-cutting critical lens through which to map developments in feminist governance around the world, *Governance Feminism: Notes from the Field* makes sense of the costs and benefits of current feminist realities to reimagine feminist futures.
