Guide for School Bus Drivers and School Bus Monitors Tony Spruill, 2020-07-21 This quick reference laminated guide is designed to help school bus drivers and bus monitors understand the unique transportation needs of students with disabilities. It provides bus drivers and monitors with quick access to on the spot support and strategies as they transport students safely and pleasantly on a daily basis. To help drivers and monitors fulfill their roles successfully, this guide reviews the laws that ensure transportation and related services are provided to students with disabilities, explains the common types of disabilities likely to be encountered on the bus, offers strategies and techniques for promoting approachable and proactive communication with students, parents, school staff, and each other, improves understanding of students' special needs, provides resolution and problem solving techniques, assists with fostering an atmosphere of service that creates a safe and supportive transportation experience. This guide is meant as a supplement to, not a replacement for, your school district's transportation policy. The recommendations in this guide should only be used if they do not conflict with those of your school district.
