Sufism Mystics And Saints In Modern Egypt Paperback:

Sufism, Mystics, and Saints in Modern Egypt Valerie J. Hoffman, 2023-02-07 A fascinating insider's account of Sufi life in contemporary Egypt For centuries Sufism Islamic mysticism held a major place in Islamic spirituality intellectual life and popular religion While many scholars have commented on Sufism's decline few have delved deeply into present day Egyptian Sufism or considered it as a system in its own right Drawing on her detailed fieldwork and a variety of little known literary sources Valerie J Hoffman presents Sufism as it exists in Egypt today in the vivid experiences of its adherents With an array of conclusions that overturn widely held beliefs about modern Sufis Hoffman argues that the apparent assimilation of Egyptian Sufism masks a thriving movement hidden from the Western world From her experiences as a quasi disciple of a Sufi master she offers new insights into the movement's evolution the vital role of women in Sufism and Sufi perspectives on gender and sexuality

The Perils of Joy Samuli Schielke, 2012-12-13 Mulids festivals in honor of Muslim friends of God have been part of Muslim religious and cultural life for close to a thousand years While many Egyptians see mulids as an expression of joy and love for the Prophet Muhammad and his family many others see them as opposed to Islam a sign of a backward mentality a piece of folklore at best What is it about a mulid that makes it a threat to Islam and modernity in the eyes of some and an indication of pious devotion in the eyes of others What makes the celebration of a saint's festival appear in such dramatically different contours The Perils of Joy offers a rich investigation both historical and ethnographic of conflicting and transforming attitudes toward festivals in contemporary Egypt Schielke argues that mulids are characterized by a utopian momentum of the extraordinary that troubles the grand schemes of order and perfection that have become hegemonic in Egypt since the twentieth century Not an opposition between state and civil society nor a division between Islamists and secularists but rather the competition between different perceptions of what makes up a complete life forms the central line of conflict in the contestation of festive culture

An Introduction to Islam Frederick Denny, 2015-09-21 An Introduction to Islam Fourth Edition provides students with a thorough unified and topical introduction to the global religious community of Islam In addition the author's extensive field work experience and scholarship combined with his engaging writing style and passion for the subject also sets his text apart An Introduction to Islam places Islam within a cultural political social and religious context and examines its connections with Judeo Christian morals Its integration of the doctrinal and devotional elements of Islam enables readers to see how Muslims think and live engendering understanding and breaking down stereotypes This text also reviews pre Islamic history so readers can see how Islam developed historically

Embodiment, Morality, and Medicine L.S. Cahill, M.A. Farley, 2013-04-17 Embodiment Morality and Medicine deals with the relevance of embodiment to bioethics considering both the historical development and contemporary perspectives on the mind body relation The emphasis of all authors is on the importance of the body in defining personal identity as well as on the role of social context in shaping experience of the body Among the perspectives considered are Christian Jewish

Islamic Buddhist and African American Feminist concerns are important throughout

Encyclopaedia of Islam Ian Richard Netton, 2013-12-19 This Encyclopedia covers the full range of Islamic thought It takes substantial note of contemporary trends across the Muslim world and the material on historical Islam has contemporary reference Cultural Sociology of the Middle East, Asia, and Africa Andrea L. Stanton, 2012 In our age of globalization and multiculturalism it has never been more important to understand and appreciate all cultures across the world The four volumes take a step forward in this endeavour by presenting concise information on those regions least well known to students across Europe the Middle East Asia and Africa The volumes convey what daily life is like for people in these selected regions Entries will aid readers in understanding the importance of cultural sociology to appreciate the effects of cultural forces around the world and to learn the history of countries and cultures within these important regions Key Features Topics are explored within historical context in three broad historical periods prehistory to 1250 1250 to 1920 and 1920 to the present One volume each is devoted to the regions of the Middle East and Africa and then one volume to East and Southeast Asia and a final volume to West Central and South Asia The volumes include extensive use of photographs and maps to explain cultural and geographic content Each volume has its own volume editor with expertise in that particular region Key Themes Arts Culture and Science People Society and Dynasties Religion and Law Family and Daily Life Conflicts and Wars Politics and Government Health and Education Economy Trade and Industry National Geography and History *Salafi Ritual Purity* Richard Gauvain, 2013 Since 9 11 Salafism has attracted a great deal of attention from the world s media which predominantly focuses on its potential for revolutionary violence Salafism remains poorly understood both in Western media where it is now the focus of considerable debate and in Western academia where until recently it was virtually undiscussed In neither arena has a consensus emerged regarding what Salafism is or does This pioneering work fills this lacuna by redirecting the reader towards the sphere of ritual practice within which the discussions of contemporary Salafi scholars prove equally revolutionary Taking the theme of ritual purity tahara as the leitmotif of modern Salafism this work combines an analysis of key developments in ritual purity law with detailed ethnographic investigations into ritual purity behaviour in specific Cairene settings The author s research not only bridges the gap between anthropological and Islamicist approaches to Muslim ritual but highlights the variety of ideas and experiences that contribute to Egyptian Salafism today This book will be of interest to students of Islamic studies Anthropology Religious studies as well as Middle East studies in general **Hidden in Plain Sight** Eliza Tasbihi, 2024-12-02 The book is an examination of the apocryphal text known as Book Seven of the Mathnaw attributed to R m which has never before been studied Why was this text added to R m s Mathnaw What were its implications in the Mevlev centers in 17th century Ottoman society or in Persian speaking societies in India and Iran The author has located and analyzed different manuscript versions of the text discusses possible authors and motives behind its composition Was Book Seven added on the Indian subcontinent or in the Ottoman Empire One important aspect of the text being interpreted as

Book Seven was a great anxiety over whether R m s Mathnaw had been incomplete an assumption made by R m s own son Sul n Valad as well as by Sufis in India and the Ottoman lands In addition to a literary examination of Book Seven of R m s Mathnaw the study also sheds light on religio political conflicts between various social groups in Ottoman society in which this text played a major role By examining sm l Anqarav s d 1631 introduction on his commentary which presents a detailed account of his debate with Mevlev and Khalvet Sufis and shaykhs I argue that Anqarav claimed authority as the ultimate commentator and Mathnaw reciter among the Mevlev Sufis a claim that was bolstered by his closeness to Sultan Murad IV d 1049 1640
