Introduction

This document outlines a business plan pertaining to the Q4 release of our new hiking shoe model.

Problem statement

Sales on our previous model dropped 29% last quarter, resulting in a decline in business revenue.

Solution

Our new models generally perform well for around two years before sales begin to decline. We have planned a strong marketing push for the new model and are projecting upwards of 325,000 sales in Q4.

Conclusion and recommendations

This business plan will align all teams on the forthcoming model release in October. Please meet with your respective teams to review the document by EOD February 1.
