Classic American Popular Song The Second Half Century 1950 2000 addresses the question What happened to American popular song after 1950 There are numerous books available on the so called Golden Age of popular song but none that follow the development of popular song styles in the second half of the 20th century While 1950 is seen as the end of an era the tap of popular song creation hardly ran dry after that date Many of the classic songwriters continued to work through the following decades Porter was active until 1958 Rodgers until the later 1970s Arlen until 1976 Some of the greatest lyricists of the classic era continued to do outstanding and successful work Johnny Mercer and Dorothy Fields for example continued to produce lyrics through the early 70s These works could be explained as simply the Golden Age s last stand a refusal of major figures to give in to a new reality But then how can we explain the outstanding careers of Frank Loesser Cy Coleman Jerry Herman Jerry Bock and Sheldon Harnick Fred Kander and John Ebb Jule Styne Alan Jay Lerner and Frederick Loewe and several other major figures Where did Stephen Sondheim come from For anyone interested in the development of American popular song and its survival this book will make fascinating reading Every Other Sunday ,1904 **The Durabone Prophecies** Frederick Douglas Harper,2011-08-25 The Durabone Prophecies is a novel about human nature and human destiny It is a multiplot story of romance relationships human emotions and pleasure vs purpose Also it is a mystery novel with predictions for the future of the Earth and the human race Four riveting romance stories are intertwined and involve major characters who unexpectedly find love The major plot and all subplots are related in some way to the main character and counseling psychologist Dr Franklin Durabone who after a near death experience commits to his destined purpose to write The Durabone Prophecies This prophetic book by Dr Durabone is based on the prophetic revelations of his mother Mama Durabone who sees alternative destinies for Earth and its human race through her visions and dreams The story takes the reader to Paris France Washington DC Chicago Virginia and Florida For the reader of The Durabone Prophecies author Frederick Douglas Harper evokes intense emotional feelings laughter sensual arousal nostalgic memories intellectual debate philosophical questions and spiritual exploration The Durabone Prophecies is a self help novel because psychological principles and messages are embedded in the story Also characters are subliminal teachers and role models of human imperfection and vulnerability as well as human possibility and hope **The Youth's Companion Combined with American Boy** ,1924 *The Literary World* ,1897
