The People And Events That Made Me, ME! Tom Thoreson,2024-01-29 Why is this guy s life so important that he has to write a book about it you may be asking yourself Well you see I have three grandchildren that don t know the history his story behind this grandfather s growing up and growing old years and I decided to write it down for them so they could read it when and if they wanted to read it and while they were at it so could their dads and mothers too if they so wished It would maybe answer some questions as to why I am the way I am It was suggested others might be interested in reading about one person s walk through life or as it has seemed to me run through life so I should make it available to all So I think my grandchildren and their parents might find the book interesting and maybe you will too Thank you
