Summer Moonlight Concert (Enhanced Edition) Han Han, 2021-11-01 T00:00:00-04:00 Enhanced ebook includes audio
Xiaomi will never forget the magical sounds she heard one hot summer evening when the power went out in her family's apartment building. It happened at day's end while her parents were preparing dinner. Her father lit candles while suggesting they take out their musical instruments and descend to the yard to perform for their neighbors. He played the erhu and her mother the accordion while she danced. The songs made their way into each home and soon everyone joined the concert laughing and singing under the moonlight, a joyful music celebration that brought them together. Recordings of the narrated story and the performance of the theme song included.

A Summer's Romance Mary Healy, 2023-03-04 Reprint of the original first published in 1872

That Summer in Silver Lake Sophia Watson, The bucolic rural farming area of East Cape Girardeau on the Mississippi across from Mingo National Wildlife Refuge is disturbed by a renegade cop. A gambling man and a serial abuser, he is chased down by his own police department after a hot game of Texas Hold Em at the local casino goes bad. Join the chase as this corrupt cop runs into the Ozarks when his own son turns against him with the support of our three main female characters.

China's Borderlands under the Qing, 1644-1912 Daniel McMahon, 2020-12-30 This book explores new directions in the study of China's borderlands. In addition to assessing the influential perspectives of other historians, it engages innovative approaches in the author's own research. These studies probe regional accommodations, the intersections of borderland management, martial fortification, and imperial culture, as well as the role of governmental discourse in defining and preserving restive boundary regions. As the issue of China's management of its borderlands grows more pressing, the work presents key information and insights into how that nation's contested fringes have been governed in the past.

Tourism, Recreation, and Climate Change Colin Michael Hall, James E. S. Higham, 2005-01-01 This book represents the first comprehensive examination of the relationship between tourism and climate change and is of interest not only to students of tourism but also to policy makers and the tourism industry who will have to respond to the challenges posed by climate change.
