Harbert,2023 Louisiana State Penitentiary is one of the largest and most brutal maximum security prisons in the United States Built on the grounds of a former plantation the prison is commonly referred to as Angola apropos of the country of origin for many of the enslaved people who inhabited the land Despite notoriously inhumane conditions within the prison people incarcerated at Angola have sustained a rich and dynamic musical legacy since the late nineteenth century attracting folklorists such as John and Alan Lomax and Harry Oster Well known musicians including Huddie William Lead Belly Ledbetter Charles Neville and James Booker played a part in this history in addition to a litany of others who proved vital to the prison s musical culture but for various reasons were unable to establish their careers upon release In Instrument of the State author Benjamin J Harbert interweaves oral history and archival research to show how incarcerated musicians find small but essential freedoms by performing jazz R B country gospel rock and fusion throughout the Twentieth Century In doing so he expands folkloric definitions of prison music considering the ways in which music manifests among the incarcerated and the prison s administration as a lens to better understand state power and the fragments of hope and joy that remain in its wake Instrument of the State acts as an indictment of the carceral state highlighting the many ways in which the US penal system disproportionately affects African American people through desperate profiteering of a deliberately underfunded state agency Turn On, Tune In, Drift Off Victor Szabo,2023 Turn On Tune In Drift Off Ambient Music s Psychedelic Past rethinks the history and socioaesthetics of ambient music as a popular genre with roots in the psychedelic countercultures of the late twentieth century Victor Szabo reveals how anglophone audio producers and DJs between the mid 1960s and century s end commodified drone and loop based records as ambient audio slow spare spacious
