Liber 420 Chris Bennett, 2018-04-20 Although little known, cannabis and other psychoactive plants held a prominent and important role in the Occult arts of Alchemy and Magic as well as being used in ritual initiations of certain secret societies. Find out about the important role cannabis played in helping to develop modern medicines through alchemical works. Cannabis played a pivotal role in spagyric alchemy and appears in the works of alchemists such as Zosimos, Avicenna, Lull, Paracelsus, Cardano, and Rabelais. Cannabis also played a pivotal role in medieval and renaissance magic and recipes with instructions for its use appear in a number of influential and important grimoires such as the Picatrix, Sepher Raxiel, Liber Salomonis, and The Book of Oberon. Could cannabis be the Holy Grail? With detailed historical references, the author explores the allegations the Templars were influenced by the hashish ingesting Assassins of medieval Islam and that myths of the Grail are derived from the Persian traditions around the sacred beverage known as haoma, which was a preparation of cannabis, opium, and other drugs. Many of the works discussed have never been translated into English or published in centuries. The unparalleled research in this volume makes it a potential perennial classic on the subjects of both medieval and renaissance history of cannabis as well as the role of plants in the magical and occult traditions.

Crusade Robyn Young, 2008-07-29 The second volume in the internationally bestselling Brethren trilogy, Crusade is gripping historical fiction that grows more relevant by the day. Raymond Khoury, bestselling author of The Last Templar, an international bestseller, Crusade is a fast-paced medieval adventure portraying the rising tide of political pressures that led East and West to war in the 13th century. After years of bloodshed, peace finally reigns in the Middle East in part due to the efforts of Will Campbell and a mysterious group known as the Brethren. However, a cabal of ruthless Western merchants aims to reignite war in the Holy Land while Prince Edward, once a trusted member of the Brethren, has made a promise to the pope he will take the Cross to Jerusalem and lead a new crusade. To survive the escalating conflict and protect his family, Will must harness all his knowledge and courage.
