STUDENT HANDBOOK

TEMPLATE

A comprehensive and user-friendly resource, designed to assist educational institutions in creating a customized student handbook.

Exposed or torn pants and excessively tight or revealing clothing are not permitted.

1. Closed-toe shoes or sneakers are required for safety reasons. Sandals, flip-flops, and high-heeled shoes are not permitted.
2. Students may wear belts, hats, and other accessories as long as they are not excessive.

CONSEQUENCES OF VIOLATIONS

Any violation of the Code of Conduct may result in the following disciplinary actions:

First Violation	Verbal Warning and Counseling
Second Violation	Written Warning and Parent/Guardian Notification
Third Violation	Loss of Privileges and Detention
Fourth Violation	Suspension
Fifth Violation	Expulsion

APPEALS PROCESS

We recognize that students have the right to seek a fair and impartial review of any disciplinary action imposed on them for a violation of the Code of Conduct. The appeals process below is an avenue for students to express their concerns and present their case for reconsideration.

All appeals will be heard confidentially. Students who violate their rights to appeal will be subject to disciplinary action.

3.2 Attendance and Punctuality

Regular attendance and punctuality are an essential part of the learning environment. The school expects students to attend all classes and arrive on time.

EXPECTATIONS

1. Students are expected to attend all classes and arrive on time.
2. In case of illness or emergency, parents/guardians must notify the school office in advance.
3. The school will require a written excuse for frequent absences.

TARDINESS

1. Students should arrive at school on time and be ready to learn when they enter the classroom.
2. Students who arrive late must report to the school office before entering the classroom.
3. Students who miss more than 10% of school will be subject to suspension.

LEAVE OF ABSENCE

1. If a student needs to take an extended leave of absence, they must submit a written request to the school principal.
2. The leave of absence request must be approved by the school principal and the school board.
3. Approval of a leave of absence is not guaranteed.

MAKE-UP WORK

1. It is the student's responsibility to make up any missed assignments, tests, or other work.
2. For any missed assignments or tests, the student will be given the opportunity to make up the work within a reasonable timeframe as set by the school.

Handbook of Classroom Management Edmund Emmer, Edward J. Sabornie, 2014-09-04 The field of classroom management is not a neatly organized line of inquiry but rather consists of many disparate topics and orientations that draw from multiple disciplines Given the complex nature of the field this comprehensive second edition of the Handbook of Classroom Management is an invaluable resource for those interested in understanding it This volume provides up to date summaries of research on the essential topics from the first edition as well as fresh perspectives and chapters on new topics It is the perfect tool for both graduate students and practitioners interested in a field that is fascinating but not immediately accessible without the proper guidance Handbook of Response to Intervention and Multi-Tiered Systems of Support Paige C. Pullen, Michael J. Kennedy, 2018-10-04 Of the many issues facing special education and general education today it is difficult to imagine one more important or timely than response to intervention RTI Almost overnight RTI has become standard practice across the nation Unfortunately RTI remains ill defined falls far short of its evidence based practice goal is almost invariably misused and often results in more harm than good Nevertheless as a conceptual framework RTI has great potential for ensuring that students with disabilities receive appropriate evidence based instruction The mission of this handbook is to present a comprehensive and integrated discussion of response to intervention RTI and its relation to multi tiered systems of support MTSS in both special education and general education Although the two terms are currently used interchangeably distinct differences exist between them Therefore chapters are dedicated to distinguishing the two concepts RTI and MTSS and describing each one s unique role in both general and special education In addition the authors recommend a third term Multi Tiered Instruction to differentiate the practices related to the purpose of the specific intervention Countdown to the Principalship Tom Bellamy, Jackie Provenzano, Anne O' Rourke, 2013-10-11 This book displays tools and templates for planning organizing and monitoring a beginning principal s daily tasks *Remembering What's Important* Charles A. Bonnici, 2011-07-16 In *Remembering What s Important* Priorities of School Leadership Charles A Bonnici addresses several issues facing school leaders through strategies supported by real life examples and anecdotes The issues addressed include questions such as What is the most urgent issue faced by a new school leader How can this leader address the chaos of being both a teacher trainer and evaluator What are the school leader s personal responsibilities for hiring training and retaining staff How does the school leader create a positive learning ambience in a school How can this leader address the issues created by the physical plant of the building itself How can a principal treat the difficult waters of the social and political context of the outside world that impacts on the school How can a school leader insure that the management systems created within a school and the gains in student achievement accomplished are maintained and improved upon after he or she leaves the school *School Marketing E-handbook* Bryan Foster, 2009 Marketing a school suggestions from the marketing outcomes and skills gained through many years at the schoolface by an assistant principal

Schultze J.D., 2021-02-10 Based upon years of reviewing the work product of building principal s evaluations of their teaching staff it has been evident to me there is a clear need to improve this critical aspect of school administration This book is designed to provide building principals and assistant principals with guidance on 1 the necessary preparation of the principal to be effective at guiding and coaching their staff 2 the laying of the foundation for their teachers to know the standard of performance expected by the school district as whole and the specific building where they serve guide and teach their students 3 the teaching of their instructional staff what constitutes good lesson planning and instruction as defined by the educational model adopted by the school and art of teaching under that model 4 developing the skills for the writing of effective teacher formative and summative evaluations to assist in the improvement of instruction and 5 the work required in 1 to 4 above to establish and qualify the principal as an expert witness under the Rules of Evidence if he she is called upon to participate in the end game of moving an underperforming teacher along The book is designed as a step by step process with reading assignments and self instruction tasks at the end of each chapter applying the concepts teaching supporting and assisting teachers in the science of teaching needed to develop maintain and excel at their craft It is

shown scientifically that where teachers know the district's standards of performance student learning improves and students learn how to learn essential in today's ever-changing society. Being an effective building principal thus requires you to be an expert in your field, i.e., that person who is rhetorically asked, "Who are you who are so wise in the science of teaching?"

About the Author: As you will surmise quickly in reading this book, Rex Schultze has had the fortunate circumstance of being immersed in public education for his entire life from 1951 to the present as a teacher's and administrator's kid, as a high school teacher for four years, as the brother of an elementary school teacher and administrator, and as a lawyer with a 40-year practice focused on public education both K-12 and community college levels. As such, he brings to you in "Who are you who are so wise in the science of teaching?" a lifetime of perspective on the value of an education and particularly public education, the most important equalizer of the citizens of our country and the need to grow, support, and nurture the best teachers possible. Rex is a Boomer, as in Baby Boomer. OK, Boomer, an early version of that generation that grew up in the 50's and 60's, so you will find references to the movies and music of those days throughout the book to add perspective and some fun. Apologies in advance for the succeeding generations; you can Google the references, a contribution by Rex to your personal history journey.

Gifted & Talented Coordinator's Handbook Sophie Craven, 2008 *Written Expression Disk with Workbook* India Podsen, 2013-12-17 This workbook provides principals with the tools they need to put into practice the concepts outlined in *Written Expression: The Principal's Survival Guide*, a volume in the *Eye On Education's* hardcover series, *The School Leadership Library*. The workbook expands the topics covered in the hardcover book and provides additional examples. On the diskette, you will find many of the sample documents printed in both the hardcover book and this workbook. You may use these files as templates for your own writing tasks.

Implementation Anita Pankake, 2013-10-18 This book shows school leaders how to put programs and change efforts into action, facilitate and coordinate tasks, monitor progress, and support those responsible for carrying out projects and plans.

Influencing High Student Achievement through School Culture and Climate Steven Busch, Julie Fernandez, 2019-01-15 This book demonstrates how the school principal's consideration of culture and climate of the school can significantly improve and sustain student achievement over time. Highlighting an innovative approach to organizational health and student achievement, this volume uses inferential statistical data analysis to quantify the way school leaders can strategically interact within school culture and systems to improve student achievement. A cutting-edge analysis of the importance of school climate, this book draws on current research from the *Organizational Health Inventory* diagnostic framework to provide data-based conceptual models of the relation between culture and leadership.
