Coach	B.Wydie	Session date	25 Jul 2013	Team/Age Group	1st Team
Theme	Improve Depth in Attack - Turning Without the Ball			Time available	75 mins

NOTES

Two groups of players take turns to pass into the middle player opposite and then go in to the middle to perform a turn from the next pass.

Encourage the players to use different turning techniques such as:

1) Opening out & use back foot. 2) Drag Turn. 3) Outside of foot.

Progress to 2 balls working simultaneously and can the players turn and pass with no more than 2 touches?

Same set up as previous practice only this time the Target Player can shoot at goal.

The practice starts with the first player on the opposite team passing to the Target Player, who then sets and spins.

The passer then plays out wide to the coach, who passes for the Target Player to finish.

The passer becomes the next Target player.

Encourage your players to spin both ways and for the passer to play to the opposite side to the Target Player's run.

Progress to one touch and Keep Score.

Three teams of three players and one Keeper.

One team surrounds the outside of the pitch and works as servers.

One team works as attackers.

One team works as defenders.

The games last for 6 balls (2 each server).

The server called by the coach must pass into the attackers.

The attackers must try to turn and combine to score a goal.

Keep Score.

Two teams played on 2 thirds - 17 players + GK

One team with 7 players attacks the goal while the other team with 8 players + GK and 2 neutrals

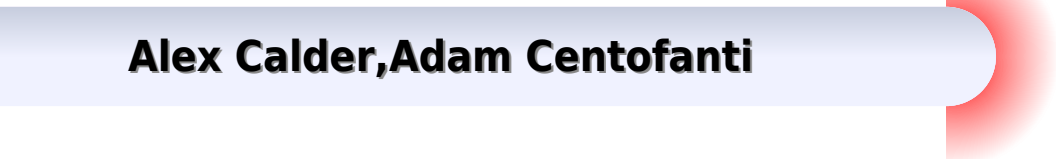

Team with 8 players attacks the goal while team with 7 players attempts to play to 2 neutrals

Work on creating depth in attack - angles of support and timing of supporting runs

Team work to create forward passing options by playing sideways and backwards to stretch opposition
