Temptation Club Destiny English Edition:

Clueless Nicole Edwards, 2018-08-14 She's not ready for commitment Milly Holcomb has a history with bad boys She knows what they're after and she knows they're only good for one night of wicked orgasms When she met AJ she had been prepared for that He wants all of her AJ Ballard knew from the moment he laid eyes on the feisty blond that she would be worth the wait However he hadn't anticipated their wild nights of passion would result in more than either of them was prepared for Sometimes it's just meant to be Hearts flutter when this snarky good girl realizes this sexy bad boy is more than she bargained for Can Milly and AJ figure out what it means to be good parents when neither of them has a clue what they're doing Will they give in to the attraction they've been battling since day one Or because of the consequences of their actions will they simply have to settle for being the best parents they can be *Chase* Nicole Edwards, 2023-06-27 Volume 1 What twenty-four-year-old recent college graduate would sign up to uncover a secret kink club rumored to be hidden within the walls of a multi-billion-dollar conglomerate Me Why Well that's easy I've spent my entire life with my nose to the grindstone doing the right thing focusing on my future and now I'm bored which isn't a good thing when you have an insatiable curiosity I probably should've considered the type of bait needed for a fishing expedition of this magnitude when I applied for the job at Primal Instincts LLC looking to uncover the secret world that exists only on the whispers of those who've never so much as glimpsed the dark seductive inner workings because those who had wouldn't dare reveal anything Now that I'm through the door I've got my determination and single-minded focus to keep me moving forward I will figure it out if for no other reason than to say I did Provided I don't get sidetracked by not one not two but three men who are ridiculously good at keeping secrets Volume 2 I am only one week into my new job at Primal Instincts LLC when I realize super sleuth is not something I will be adding to my resume anytime soon Although I'm still on my mission to uncover the truth about the secret kink club I suspect exists and is somehow tied to my employer I find myself with more pressing things to deal with than solving that mystery Between balancing the work assignment I've been given and the change in my current dating status the only time I have left is spent dealing with a dominating manipulative not to mention sexy man who has me in his crosshairs Unfortunately the aforementioned dominating man starts the dominoes falling when his manipulation puts me in a vulnerable position It's crazy what can happen in a week Volume 3 To say things have gotten complicated with the men in my life would be an understatement My mission to discover the secret kink club has been put on hold but not because I'm distracted by the three men plaguing my thoughts and dreams Not only because of them anyway They are certainly responsible for keeping my attention away from my goals However my main concern is the man blackmailing me with a video I'd prefer isn't seen by the public That man has given me an ultimatum and I have a decision to make an important one But for the moment Creed Hawk and Garrison are doing their best to keep my mind off my problem and they have a proposition for me One that will effectively shift my focus yet again Note from the author The Primal Instincts series was originally released in individual

volumes Chase Capture and Claim are the combination of these volumes The stories are the same *Distraction* Nicole Edwards,2017-01-31 *Alibi* Nicole Edwards,2021-07-27 Travis Walker has been battling dark urges since the day Juliet Prince kidnapped his six year old daughter four months ago Although Kate was returned safely the woman responsible vanished When their attempts to find her keep coming up empty Travis let his need for retribution consume him and it nearly cost him his relationship with his family Thanks to help from Gage and Kylie Travis came back from the brink and passed the case back where it belonged with the Off the Books Task Force What they don't know is that despite their best efforts at locating her Juliet doesn't intend to run forever She's coming back to Coyote Ridge to settle the score once and for all And this time she intends to bring Travis to his knees by targeting his most precious possessions his family When the unthinkable happens Travis's thirst for vengeance is reignited and he will move heaven and earth to avenge his family *Naughty Holidays 2021* Nicole Edwards,2021-11-22 Nicole Nation voted and the winners for the 2021 holiday have been chosen Come see how they're heating up the holidays this year Thanksgiving and Wine Kingston Rush and Ellie Kaufman from Rush Kingston and Ellie are enjoying Thanksgiving with family and friends Learn why wine is not on the menu and why Ellie needs it more than ever Holiday Road Trip Grant Kingsley Lane Miller and Grace Lambert from Betting on Grace Grant and Lane surprise Grace with a holiday road trip See how they kick off their long weekend Naughty Cruise Landon Moore Langston Moore and Luci Weaver from Office Intrigue Duet See how quickly things heat up when Master and Sir take their submissive Luci on a naughty cruise Cabin by Candlelight Logan McCoy Elijah Penn and Samantha Kielty from Conviction and Entrusted After eight years of marriage and seven years into their polyamorous relationship Logan Samantha and Elijah are about to take things to the next level Making the Most of it Hunter Kogan Kye Sterling and Danielle Davidson from Tomorrow's Too Late Hunter agreed to a protection detail three days before Christmas See how Dani and Kye make the most of it when Hunter gets snowed in The Perfect Gift Wolfe Caine Rhys Trevino and Amy Smith from Hard to Hold Wolfe and Rhys have been working on a gift for Amy for months With only days left to finish it they're getting creative about how to keep it a secret No Longer Christmas but Still a Miracle Phoenix Pierce Tarik Marx and Mia Cantrell from A Million Tiny Pieces Sometimes making a decision and jumping in with both feet is the only thing to do Phoenix learns that firsthand after a special request from his wife and husband Kicking Off the New Year Right Trey Walker and Magnus Storm from Brantley Walker Off the Books series Although he's insistent they keep their relationship on the DL Trey decides to make the first move That decision might just change things between him and Magnus forever **Bounty** Nicole Edwards,2022-09-20 Recently engaged and moving forward Brantley Walker and Reese Tavoularis are enjoying a bit of downtime with friends and family But anyone in their line of work knows that sitting idle never lasts long When Reese's brother Z asks for their assistance in finding a man who skipped bail and is now on the run from the law as well as a few unsavory characters the pair find themselves on a mission that's a little outside of Reese's comfort zone No make that way outside his comfort zone when

he learns that the man they're looking for is one of his mother's former lovers. As is usually the case, nothing is as it seems, and Brantley Reese and the rest of the Off the Books Task Force find themselves mixed up with the mob as they try to uncover the truth.

Missing Pieces Nicole Edwards, 2025-08-19 Brantley Walker and Reese Tavoularis are plunging headfirst into the satisfying chaos of married life. Although their preference would be to sit on a beach enjoying umbrella drinks for a week, the honeymoon will have to wait. With Jessica James treating her hospital stay like an all-inclusive spa getaway complete with bed rest and boredom, Brantley Reese, Baz, and the rest of the team are bracing themselves for the inevitable twists and turns ahead. Meanwhile, Atticus James shares not only the same last name with JJ but also the irritation that comes with monotony. He's spending his days sifting through partner applications, waiting for the day he'll see some of the action. Just when he thinks his excitement levels have hit rock bottom, Brantley hands him his first case assignment. Only he's not sure he wants it once he learns what it is. But if suffering is the name of the game, he can think of no better partner in misery and mayhem than Slade Elliott. While Atticus and Slade are busy with their detective shenanigans, the rest of the team isn't just tuning in to their favorite podcast; they're about to dive headfirst into a live episode of *Havoc Your Way* when the podcast's host stops by. But Simon Jennings isn't there to sign autographs. He's dropping in with a case that veers dangerously close to home, blending the bizarre with the familiar as he seeks their expertise to untangle a web that's both outside their skill set and uncomfortably personal.

Protected in Darkness Nicole Edwards, 2019-10-22 Heaven refers to them as Misplaced Halos. Humans don't even know they exist. This faction of celestial warriors was sent here under the cover of darkness to protect humanity from Lucifer's demons. In return for their servitude, these warriors expect only one thing: the love they were promised, what angels refer to as an *amsouelot*. The first of his kind, Obsidian, has spent the past fifteen hundred years fighting alongside his brothers, protecting humans from Lucifer's demons all while keeping to the shadows. Their mission is simple: right up until it isn't. The day Obsidian learns of a traitor in Heaven is the day everything changes. The entire reason for his existence is put on hold because there's a new assignment: find the female whose soul belongs to his and protect her, no matter the cost. Penelope Calazans spends her days sleeping and her nights serving free drinks to the gamblers looking to win big in Sin City. It's not a glamorous life, perhaps a tad lonely, but she's content. Or she thought she was. Then he appears. The mystery man who would turn out not to be a man at all but rather an angel. The angel who would turn Penelope's mundane life upside down, revealing what really lurks in the dark. Not only do they have to battle the demons looking to possess their souls, but Obsidian and Penelope must overcome the obstacles that come with falling in love. In the end, an angel and a human must make the ultimate sacrifice, all in the name of a love everlasting.

Chain Reaction Nicole Edwards, 2024-01-23 In the two years since the Off the Books Task Force was formed, Brantley Walker and Reese Tavoularis have navigated their fair share of difficult cases, but their next one hits close to home. Too close. When Jessica James is taken in broad daylight, right in the heart of town, the Off the Books Task Force teams up with family and friends in Coyote Ridge to

find her While JJ turns up safe and sound they discover that uncovering her whereabouts is just the beginning A series of chain reactions has the task force working to clear one of their while tracking down who was behind JJ s disappearance Some relationships are tested while others grow stronger as the team works to stop the dominoes from falling **Claim** Nicole Edwards,2023-08-28 Volume 7 With each passing day I am learning new things about myself I have the men in my life to thank for that They are giving me the freedom to explore things I ve only ever fantasized about In doing so we are all accepting the complexity of our situation making compromises and taking risks When you fall in love with more than one man you can be certain that the highs and lows of a normal relationship are multiplied and they can be overwhelming at times Now that there are no more secrets between us there is nothing standing in our way We are free to move forward Except there are other forces at play Someone who knows the right card to play to ensure our happily ever after eludes us Possibly forever Volume 8 When you re determined enough you can accomplish almost anything That s my mantra as I deal with the upheaval my absence has caused Although they re slow to accept my apology the men in my life are coming around It helps that I want nothing more than to prove to them that I m no longer a flight risk I ll do whatever it takes to ensure they know how much they mean to me Unfortunately I m not the only person fueled by fierce determination The man out to hurt me to punish those I care about has proven he s willing to do whatever is necessary to rip apart my life bit by bit He s a worthy adversary I ll give him that But no one could ve predicted his final move the one that could destroy everything we ve worked so hard to build Volume 9 When you give your heart to someone there s always the chance it can be broken When you give your heart to more than one person the chances are significantly greater My entire world has erupted in chaos and the lives of two men I love are in danger On the outside I m holding my head up but on the inside I m curling into a fetal position wishing someone would hold me so I don t fall apart It s coming I can feel it My heart can t handle the pain of not knowing whether Hawk or Creed will live through the night it can t process the fear that Garrison and Nick will meet the same fate I m stuck in this horrible void of nothingness as I wait for someone to give me a lifeline to hold onto I m starting to think it will never arrive and I ll be left to drift off into oblivion Volume 9 is the last book in the Primal Instincts series Although they endure some dark times love wins and this unconventional love story ends happily ever after As a bonus there s a glimpse of the future for Journey Creed Hawk Garrison and Nick *Reckless* Nicole Edwards,2015-10-27 He s a walking contradiction Cam Strickland one of the four partners of Pier 70 Marina has embraced the nickname his friends gave him years ago Reckless Sure By definition When it comes to fun Cam hasn t yet met a challenge he wouldn t accept In other areas he s likely far too cautious for his own good He s his complete opposite Gannon Burgess CEO of Burgess Entertainment one of the top video game producers in the world finds himself smack in the middle of the last place he would ever expect to be But Gannon only thinks he is out of his element standing in the small marina office Then he meets Cam Rumor is opposites attract Sparks fly when this sexy tattooed bad boy comes face to face with this buttoned up gamer in glasses Can Cam and

Gannon push one another out of their comfort zones Or thanks to the events that have shaped their lives will the time they spend together prove to be just another reckless adventure This one involving their hearts **Bound in Darkness** Nicole Edwards,2020-04-14 Heaven refers to them as Misplaced Halos Humans don't even know they exist Like angels vampires have been protecting humans from demons while keeping to the shadows lurking in the darkness In return they've asked for nothing Until now After the heinous slaughter of his father the Alpha Vampire Kaj Courtenay finds himself taking on the role of the most powerful vampire in existence He's up against traitors out to topple him demons bent on eliminating the vampire race entirely and an archangel who has other plans for them It's all Kaj can do to maintain his focus but he knows it would be easier with the female who owns his heart body and soul at his side Problem is convincing her Acadia only knows a life of subservience She has spent fifteen hundred years bound to the Angels of Darkness her race used as their life source to maintain their existence on Earth Living out eternity at their mercy is her destiny beyond her control It has never been something she questioned Not until Kaj appeared in her life and gave her something to live for made her question her very existence Acadia knows resisting the powerful vampire is futile He holds her heart Problem is it isn't hers to give Kaj and Acadia must break the chains that have bound them to their pasts so they can embrace the future and conquer the enormous obstacles and ridiculous odds standing in their way And for the sake of all they must do it together **Confessions** Nicole Edwards,2022-05-24 After being shot in a failed kidnapping Reese Tavoularis went off the radar Instead of returning to Coyote Ridge to mend things with Brantley he chose to stay in Dallas leaving his team behind and using his recovery as a reason to maintain his distance more accurately to evade the consequences of his choices Now he's back to seek forgiveness and persuade the man he loves to give their relationship another chance When Magnus Storme faces kidnapping allegations Reese reconnects with his team as they unite to prove Magnus's innocence and locate the missing woman **Trey** Nicole Edwards,2022-12-27 Trey Walker has one major flaw as far as he's concerned he impulsively falls in love too easily and too often That reckless impulse resulted in several failed relationships not to mention the implosion of his marriage And what's the best way to ensure you don't make that mistake again That's easy You shrug off relationships for good And it was working for him Right up until it wasn't Trey was on a winning streak until fate threw him a curveball eighteen months ago when he crossed paths with Magnus Storme the smoking hot ridiculously persistent twenty-four-year-old owner of Camp K 9 Using the 12-year age gap as an excuse Trey managed to resist Magnus for about a minute Did he mention Magnus was persistent His first mistake was taking Magnus home thinking one night with him would get the man out of his system One night turned into two then a week a month two After a year Trey still adamantly denied falling for Magnus which meant he wasn't only lying to Magnus he was lying to himself Just when Trey's life seems to be cruising along the right track another unexpected turn arrives this time in the form of a woman from Magnus's past Only Ava March isn't just any woman she's one Magnus has a history with and now Ava needs him Trey has to make a decision live in denial and walk away from the man he

loves or accept that his feelings are in direct contradiction to everything Trey thought he knew about himself This MMF romance can be read as a standalone however Trey Magnus and Ava s story picks up where things left off in Confessions from the Brantley Walker Off the Books series Trigger warning While this book is about love healing and perseverance some readers may find the retelling of the physical abuse Ava suffered at the hands of her husband difficult to read **Fearless** Nicole Edwards,2016-04-11 He s the one who walked away Dare Davis one of the four owners of Pier 70 Marina has spent the past fifteen years of his life avoiding risks He considers himself fearless because he refuses to let anyone close enough to hurt him He s had his heart broken before he s not looking for it to happen again He s the one who let love slip through his fingers Noah Pearson a thirteen year veteran of the Austin Fire Department finds himself being roped into a favor by his mischievous stepsister When Milly invites him to come along on a cruise to the Caribbean he finds himself giving in What he doesn t know is that Milly s playing matchmaker However Milly s surprise backfires when Noah finds himself front and center with the man who slipped through his fingers fifteen years ago Some people believe in second chances Things heat up when the mischievous fun loving bad boy comes face to face with this smoking hot firefighter Now that Dare and Noah find themselves sharing a room on a week long cruise can they find a way to keep the peace and ignore their past Or thanks to the decisions they made long ago will they come full circle picking right back up where they left off *Hide & Seek* Nicole Edwards,2020-08-25 With the holidays nearing Brantley Walker and Reese Tavoularis are getting settled both personally and professionally For Reese dealing with Brantley s about face regarding the size of the task force is easy It s meeting the parents that he s worried about On the work front the Off the Books Task Force has a stack of cold cases to tackle but two new cases keep them moving across the great state of Texas One of which turns into a dangerous game of hide and seek

Rough & Dirty Nicole Edwards,2024-06-11 One night Rough dirty and so hot it was a wonder the barn didn t burn down from the heat they generated If Stone Jameson were writing a letter to his younger self it would go something like this Don t waste time leaving You have everything you ll ever want already Unfortunately Stone didn t have the ability to warn his younger self nor could he get the last fifteen years of his life back He could however return to the last place he d experienced real happiness his hometown of Coyote Ridge It takes mere days for him to realize that all the years he spent trying to forget the night that had altered his perception of himself were in vain It takes a single glimpse of what he left behind to bring it all back the potent attraction the intense connection and the longing permanently etched in his soul Getting absolution for his mistakes might be impossible but when a second chance presents itself Stone knows that determination and persistence are the only tools he needs to build the solid foundation he s seeking *Harmless* Nicole Edwards,2017-03-28 **To Have and To Hold** Nicole Edwards,2024-04-09 The moment everyone s been waiting for Brantley Walker and Reese Tavoularis are counting down until their wedding day With only seven more days to go and plenty to do they are enjoying some downtime with friends and family while checking off the remaining boxes on JJ s checklist While everyone gears up for the big event

Atticus James returns to Coyote Ridge to find he has some decisions to make Not only does he get to choose which address he wants to call home but there are two men interested in being more than just roommates The hardest part is figuring out which one to choose or whether he needs to choose at all Provided everyone survives the bachelor party makes it through the rehearsal dinner unscathed and works through their wedding day jitters they re home free *Hot Chocolate Wishes* Nicole Edwards,2023-12-04 See what s happening at Christmas in Coyote Ridge with never before seen characters who are proving that the holidays are even better when they re naughty Reilly Jameson has had a crush on her older brother s best friend for as long as she can remember This year she s decided to put it all on the line and see if she can give Brady McCord a nudge in the right direction She intends to show him that despite the age difference they can be really good together Donovan Jameson has shrugged off his attraction to his little sister s best friend for quite some time because Tate Riggs is not his type But for some reason he can t shake it anymore When Tate calls him sweetie Donovan wants nothing more than to dominate the younger man and show him just how sweet they can be together This is a full length holiday romance with HEAs for two separate couples Since their lives are so intertwined it seemed more fun to let it play out side by side
