Jacqueline O'Connor, 2016-05-31 Gender and cultural studies readings of Tennessee Williams's work have provided diverse perspectives on his complex representations of sexuality whether of himself as an openly gay man or of his characters many of whom narrate or dramatize sexual attitudes or behavior that cross heteronormative boundaries of the mid century period Several of these studies have positioned Williams and his work amid the public tensions in American life over roughly four decades from 1940 1980 as notions of equality and freedom of choice challenged prejudice and repression in law and in society To date however neither Williams's homosexuality nor his persistent representations of sexual transgressions have been examined as legal matters that challenged the rule of law Directed by legal history and informed by multiple strands of Williams's studies criticism textual and cultural this book explores the interplay of select topics defined and debated in law's texts with those same topics in Williams's personal and imaginative texts By tracing the obscure and the transparent

representations of homosexuality specifically and diverse sexualities more generally through selected stories and plays the book charts the intersections between Williams's literature and the laws that governed the period His imaginative works backlit by his personal documents and historical and legal records from the period underscore his preoccupation with depictions of diverse sexualities throughout his career His use of legal language and its varied effects on his texts demonstrate his work's multiple and complex intersection with major twentieth century concerns including significant legal and cultural dialogues about identity formation intimacy privacy and difference

Tennessee Williams's America Ahmed Honeini, 2025-09-11 Tennessee Williams's America is the first full length study of homes families and familial exile in the plays of Tennessee Williams The central argument of this book is that Williams's vision of American life in his plays is predicated upon challenging the traditional idea of the home and family Throughout his plays the patriarchal space of the American home and family is shown to victimize and oppress two of society's most marginalized groups women and queer people in Williams's plays the experiences of one group often mirror and intersect with those of the other From his earliest plays such as *Candles to the Sun* and *Fugitive Kind* to the masterpieces of his major phase including *Battle of Angels* *Orpheus Descending* *The Rose Tattoo* *Cat on a Hot Tin Roof* *Period of Adjustment* *Suddenly Last Summer* and *Sweet Bird of Youth* through to the much maligned but equally rich works of his late period such as *Vieux Carré* and *Something Cloudy Something Clear* Williams depicts the home as a place which restricts and suffocates those who fail to perform their expected gender role in the wider patriarchal framework of American life In its extended full length treatment of homes families and familial exiles in his theatrical output this book adds a new perspective to Williams scholarship by examining the desperate and at times futile search for love relationality and belonging that his marginalized and alienated characters frequently pursue in alternative avenues of existence

Reading and Interpreting the Works of Tennessee Williams Spring Hermann, 2016-12-15 As a child growing up in the Deep South Tom Tennessee Williams escaped from his tumultuous home life by retreating into his imagination His love for made up stories would eventually translate into a propensity for writing drama and poetry This compelling text places the playwright's work in the context of his life and times allowing readers to gain a greater understanding of the two time Pulitzer Prize winner Featuring quotes excerpts and in depth critical analysis of his most famous plays as well as his lesser known works the text provides an in depth look at this hard working prolific playwright considered by many to be among the greatest of his time

"Literchoor Is My Beat" Ian S. MacNiven, 2014-11-18 A biography thoughtful and playful of the man who founded New Directions and transformed American publishing James Laughlin poet publisher world class skier was the man behind some of the most daring revolutionary works in verse and prose of the twentieth century As the founder of New Directions he published Ezra Pound's *The Cantos* and William Carlos Williams's *Paterson* he brought Hermann Hesse and Jorge Luis Borges to an American audience Throughout his life this tall charismatic intellectual athlete and entrepreneur preferred to stay hidden But no longer in *Literchoor Is My Beat* A Life of

James Laughlin Publisher of New Directions Ian S MacNiven has given us a sensitive and revealing portrait of this visionary and the understory of the last century of American letters Laughlin or J as MacNiven calls him emerges as an impressive and complex figure energetic idealistic and hardworking but also plagued by doubts not about his ability to identify and nurture talent but about his own worth as a writer Haunted by his father's struggles with bipolar disorder J threw himself into a flurry of activity pulling together the first New Directions anthology before he'd graduated from Harvard and purchasing and managing a ski resort in Utah MacNiven's portrait is comprehensive and vital spiced with Ezra Pound's eccentric letters J's romantic foibles and anecdotes from a seat of your pants era of publishing now gone by A story about the struggle to publish only the best it is itself an example of literary biography at its finest *Theatre Symposium, Vol. 25* Karen

Berman, 2017-10-10 Addresses the ways that theatre both shapes cross cultural dialogue and is itself in turn shaped by those forces Globalization may strike many as a phenomenon of our own historical moment but it is truly as old as civilization we need only look to the ancient Silk Road linking the Far East to the Mediterranean in order to find some of the earliest recorded impacts of people and goods crossing borders Yet in the current cultural moment tensions are high due to increased migration economic unpredictability complicated acts of local and global terror and heightened political divisions all over the world Thus globalization seems new and a threat to our ways of life to our nations and to our cultures In what ways have theatre practitioners educators and scholars worked to support cross cultural dialogue historically And in what ways might theatre embrace the complexities and contradictions inherent in any meaningful exchange The essays in Theatre Symposium Volume 25 reflect on these questions Featured in Theatre Symposium Volume 25 Theatre as Cultural Exchange Stages and Studios of Learning by Anita Gonzalez Certain Kinds of Dances Used among Them An Initial Inquiry into Colonial Spanish Encounters with the Areytos of the Ta'no in Puerto Rico by E Bert Wallace Gertrude Hoffmann's Lawful Piracy A Vision of Salome and the Russian Season as Transatlantic Production Impersonations by Sunny Stalter Pace Greasing the Global Princess Lotus Blossom and the Fabrication of the Orient to Pitch Products in the American Medicine Show by Chase Bringardner Dismembering Tennessee Williams The Global Context of Lee Breuer's A Streetcar Named Desire by Daniel Ciba Transformative Cross Cultural Dialogue in Prague Americans Creating Czech History Plays by Karen Berman Finding Common Ground Lessac Training across Cultures by Erica Tobolski and Deborah A Kinghorn *Carson McCullers in the Twenty-First Century* Alison Graham-Bertolini, Casey Kayser, 2016-10-26 The contributors to this volume use diverse critical techniques to identify how Carson McCullers writing engages with and critiques modern social structures and how her work resonates with a twenty first century audience The collection includes chapters about McCullers fiction autobiographical writing and dramatic works and is groundbreaking because it includes the first detailed scholarly examination of new archival material donated to Columbus State University after the 2013 death of Dr Mary Mercer McCullers psychiatrist and friend including transcripts of the psychiatric sessions that took place between McCullers and Mercer in 1958 Further the

collection covers the scope of McCullers canon of work such as *The Heart Is a Lonely Hunter* 1940 *The Member of the Wedding* 1946 and *Ballad of the Sad Caf* 1943 through lenses that are of growing interest in contemporary literary studies including comparative transatlantic readings queer theory disability studies and critical animal theory among others

Anxious Masculinity in the Drama of Arthur Miller and Beyond Claire Gleitman, 2022-05-19 Staunchedly homosocial vaguely or overtly misogynistic anxiously homophobic this study follows the male breadwinner as he is incarnated in Arthur Miller's most celebrated plays and as he resurfaces in different guises throughout American drama from the 1950s to the present *Anxious Masculinity* offers a compelling analysis of gender dynamics and the legacy of this figure as he stalks through the works of other American dramatists and argues that the gendered anxieties exhibited by their characters are the very ones invoked with such success by Donald Trump Claire Gleitman examines this figure in the plays of Miller and Tennessee Williams as well as later 20th century writers Lorraine Hansberry August Wilson and Sam Shepard who reposition him in more racially and economically marginalized settings He reappears in the more recent work of playwrights Tony Kushner Paula Vogel and collaborators Lisa Kron and Jeanine Tesori who shift their focus to the next generation which seeks to escape his clutches and forge new often gleefully queer identities The final chapter concerns contemporary Black dramatists Suzan Lori Parks Jackie Sibblies Drury and Jeremy O Harris whose plays move us from anxious masculinity to anxious whiteness and speak directly to the current moment

Muse of Fire Terrence McNally, 2020-11-25 Acclaimed playwright Terrence McNally's works are characterized by such diversity that critics have sometimes had difficulty identifying the pattern in his career To redress this problem in *Muse of Fire* Raymond Jean Frontain has collected McNally's most illuminating meditations on the need of the playwright to first

change hearts in order to change minds and thereby foster a more compassionate community When read together these various meditations demonstrate the profound ways in which McNally himself functioned as a member of the theater community as a strikingly original dramatic voice as a generous collaborator and even as the author of eloquent memorials These pieces were originally written to be delivered on both highly formal occasions academic commencement exercises award ceremonies memorial services and as off the cuff comments at highly informal gatherings like a playwriting workshop at the New School They reveal a man who saw theater not as the vehicle for abstract ideas or the platform for political statements but as the exercise of our shared humanity Theatre is collaborative but life is collaborative McNally says Art is important to remind us that we re not alone and this is a wonderful world and we can make it more wonderful by fully embracing each other I don t know why it s so hard to remind ourselves sometimes but thank God we ve had great artists who don t let us forget And thank the audiences who support them because I think that those artists true mission has been to bring the barriers down break them down not build walls but tear them down

Carson McCullers Mary V. Dearborn,2024-02-27 The first major biography in more than twenty years of one of America s greatest writers based on newly available letters and journals V S Pritchett called her a

genius Gore Vidal described her as a beloved novelist of singular brilliance Of all the Southern writers she is the most apt to endure And Tennessee Williams said The only real writer the South ever turned out was Carson She was born Lula Carson Smith in Columbus Georgia Her dream was to become a concert pianist though she d been writing since she was sixteen and the influence of music was evident throughout her work As a child she said she d been born a man At twenty she married Reeves McCullers a fellow southerner ex soldier and aspiring writer He was the best looking man I had ever seen They had a fraught tumultuous marriage lasting twelve years and ending with his suicide in 1953 Reeves was devoted to her and to her writing and he envied her talent she yearned for attention mostly from women who admired her but rebuffed her sexually Her first novel *The Heart Is a Lonely Hunter* was published in 1940 when she was twenty three and overnight Carson McCullers became the most widely talked about writer of the time While McCullers s literary stature continues to endure her private life has remained enigmatic and largely unexamined Now with unprecedented access to the cache of materials that has surfaced in the past decade Mary Dearborn gives us the first full picture of this brilliant complex artist who was decades ahead of her time a writer who understood and captured the heart and longing of the outcast [The ^AOxford Handbook of the Literature of the U.S. South](#) Fred Hobson,Barbara Ladd,2016-01-04 The Oxford Handbook of the Literature of the U S South brings together contemporary views of the literature of the region in a series of chapters employing critical tools not traditionally used in approaching Southern literature As well as canonical Southern writers it examines Native American literature Latina o literature Asian American as well as African American literatures Caribbean studies sexuality studies the relationship of literature to film and a number of other topics which are relatively new to the field **Southern Hyperboles** Michał Choiński,2020-05-06 In *Southern Hyperboles* Metafigurative Strategies of Narration Michał Choi ski confronts the often paradoxical and excessive elements of southern literature focusing on dominant narrative modes and representation strategies in works produced from the early 1930s to the late 1950s With renewed attention to renderings of the gothic and grotesque Choi ski argues that modernist literature from the U S South often deploys the trope of hyperbole which escalates contrasts and disrupts the sense of the normal By focusing on how writers processed the South via narratives of hyperbolic excess *Southern Hyperboles* explores a mode of comprehension forged from the tensions of a segregated patriarchal society driven by racial and social decorum Moving chronologically Choi ski traces distinct manifestations of hyperbolic metalogic in the works of seven authors Katherine Anne Porter William Faulkner Lillian Smith Katherine Du Pre Lumpkin Tennessee Williams Flannery O Connor and Harper Lee The mode of hyperbole identified by Choi ski relies on a clash of opposites along with the rapid intensification of disharmonious ideas pushed to extremes leading to an ultimate break in established decorum The shock produced by hyperbole generates a momentary state of confusion that soon dissipates allowing recipients to reach a new understanding of their surrounding world Melding an innovative use of rhetorical theory with fine grained analysis of literary texts *Southern Hyperboles* elucidates contradictory and interlocking issues related to memory social trauma
