Tennis Tournament Flyer:

American Lawn Tennis, 1909 **The Dream Doers and the Summer of Secrets** Bonnie Schaefer, 2008-05-13 In the Summer of Secrets twelve year old Tyler Davis is determined to pitch for his all star team But he has never thrown a strike in his Little League career And eleven year old Alexandria Wilkins is determined to play in a local tennis tournament But she doesn't have a coach to teach her how to play So the best friends decide to be Dream Doers and work together to achieve their goals Along the way they encounter Hector Magruder the hermit who lives in the woods From him they learn about a silent enemy that is far more dangerous than the neighborhood bully Zachary Graham What they don't know is that the more time they spend with Hector and the closer they come to discovering his secrets the more danger they create for themselves and their families

Sparrow Grant McLachlan, 2012-11-11 Sparrow is a seldom heard but uplifting story of the Sparrows the Battle of Britain gunners who defended Timor as part of Sparrow Force It is the story of Charlie McLachlan's war a triumph of stubborn

Scottish defiance and laconic Aussie genius over the relentless violence of man and nature From the Rudolph Hess crash landing to the atom bomb from history's last bayonet charge to the war's greatest aerial bombardment Charlie McLachlan survives and bears witness to some of the landmark days of World War II At one time or other in his four year ordeal he is fired upon by the armies navies and or air forces of Germany Japan Australia the Netherlands Great Britain and the United States of America pretty much everyone but the Russians He defies or evades the ravages of tropical ulcers tropical heat alpine cold gangrene cholera malaria beriberi dysentery mosquitoes crocodiles snakes sharks scorpions sadistic Sikhs Japanese hellships falling coconuts flying shrapnel beatings beheadings bullets bombs bayonets torpedoes a crushed leg a fractured skull malnutrition and premature cremation He's presumed dead by the British Army left for dead by Japanese guards and declared dead by a Dutch Javanese doctor Yet through it all Charlie soldiers on Half a world away his wife Mary fashioned from the same mental granite stoically awaits his return Not even an official telegram confirming the near certainty of Charlie's death or later rumours of his torture can shake her iron faith Sparrow Force the force that defended Timor in 1942 was one of Australia's most successful military units At the lowest point in the Second World War these soldiers equipped with First World War weapons and cut off from Australia waged a commando campaign that held off Japan's most successful and elite special force Low in medicine and ammunition they built an improvised radio that regained contact with their homeland It was the first good news of the war for the Allies Sparrow Force was unique They were the first force to defeat Japan in battle and they were the last to be captured Those who escaped to pursue a guerrilla campaign spent more time in combat against the Japanese than any other Allied unit They were set up to fail instead they endured defied and succeeded Newsreels were made victories were recorded medals were awarded and Australia's morale was elevated As Winston Churchill famously said They alone did not surrender

Six of the Best Catharina Elizabeth Rowe, 2025-07-17 In a world that rarely makes space for pain as a path to peace this is a journey into the rituals that heal Raw visceral and deeply human Six of the Best explores the quiet power of surrender the ache of release and the strange sacred places where we finally meet ourselves This is a testament to survival transformation and the sacred timing that brings us exactly who we need when we need them For anyone who's ever felt unseen or unworthy this story is a light in the dark a reminder that healing begins when we dare to speak our truth
