preparation and practice for the PET exam Ian Botham Simon Wilde,2011-04-14 Ian Botham arrived on the international scene just in time to ride sport s first big financial wave and exploit the Thatcherite mantra of go out and get what you want He certainly needed the cash having been regularly short since leaving state school in Yeovil at 15 In an era short on glamour and personalities Botham brought an irresistible cocktail of talent energy and swagger With the stench of economic failure still in the air he made the country feel good about itself again He showed that Britain could still produce champions and that the working class still deserved to be valued For this he won himself a fund of public goodwill a fund he sometimes threatened to drain but uncannily managed to replenish Before Botham many saw cricket as a very staid very boring game He played it with an irreverent dash that stuck up two fingers at the cricket Establishment He wore striped blazers and strange hats sported long hair and droopy moustaches He got into trouble over punch ups drugs and girls He was even banned from playing at one point But all this would have meant little had he not been able to keep on achieving remarkable things as he did with impeccable timing and implausible frequency He had an insatiable appetite and an uncanny knack for creating tales of heroism but if he failed on that score there was always the chance of a scandal or two He gave the media everything they needed for front pages and back and some newspapers discovered that it didn t necessarily matter if the story was true or not as long as he was in it Ian Botham tells the story a great piece of British sporting history one of the greatest of a man for whom the glamour and the grit came together And it was the grit of the times in which Botham had grown up and the grit of the where he had come from *Objective PET Self-study Pack (Student's Book with answers with CD-ROM and Audio CDs(3))* Louise Hashemi,Barbara Thomas,2010-01-21 Objective PET Second edition is a completely updated and revised edition of the best selling Objective PET course This edition includes several great new features including brand new Corpus spots which alert students to common mistakes made by PET candidates The Student s Book now includes a CD ROM for extra language practice including one complete printable PET practice test The accompanying website includes an additional printable PET practice test This Self study Pack includes the Student s Book with answers with CD ROM and the set of three Audio CDs with listening material from the Student s Book A Teacher s book and Workbooks are also available
