The fourth edition of *Sport Finance* has been revised and restructured to reflect the evolving needs of students entering the dynamic sport industry. To further relate the content to real situations for students, study questions about each of the case studies have been incorporated into a new student web resource. The web resource also includes an interactive simulation called The Two Dollar Team that directly engages students with the book's topics, including assets and liabilities, revenue and expenses, budgeting, cash management, and borrowing. Instructors will also find additional activities and a case study in the companion instructor guide, and they will receive a test package and presentation package. *Sport Finance* Fourth Edition will enable students to grasp fundamental concepts in sport finance.
