Springtime Pleasures A Love For Every Season Book English Edition:

The Miser and Other Plays Jean-Baptiste Moliere,2004-05-27 Moli re combined all the traditional elements of comedy wit slapstick spectacle and satire to create richly sophisticated and enduringly popular dramas The Miser is the story of Harpagon a mean spirited old man who becomes obsessed with making money out of the marriage of his children while The Hypochondriac another study in obsession is a brilliant satire on the medical profession The School for Wives in which an ageing domestic tyrant is foiled in his plans to marry his young ward provoked such an outcry that Moli re followed it with The School for Wives Criticized a witty retort to those who disapproved of the play s supposed immorality And while Don Juan is the darkest and most tragic of all the plays in this collection it still mocks the soullessness of the skinflint with scathing irony
