The Complete Layman's Guide To End Times Prophecy A Biblical Perspective Robert R. Ramirez,2011-11 Have you looked around at the world and felt as though everything was falling apart America is struggling economically and no one has any answers Unemployment has been over 9% for over two years now It feels like the government is trying to take control of our lives There is speculation that Greece might collapse economically and if they do other European countries will follow suit The Middle East is in total chaos and very unstable with all these people rioting in the streets and wreaking havoc on their respective countries along with dictators falling and rising from power Iran is still telling everyone they are intent on annihilating Israel as they improve their nuclear capabilities As Christians our hope is in Jesus Christ we know that our God is sovereign so all the chaos in the world has no effect on how God brings the world to an end But the end is in sight and people are looking for something certain in this world There are so many questions Christians have regarding End Times Prophecy and do not understand simply because the church has not fulfilled its purpose in rightly dividing the Word of truth

for the saints The Complete Layman s Guide to End Times Prophecy will bring together all the questions one might have regarding the end of the world and the return of the Warrior King Jesus Christ to this earth to set up His millennial kingdom This book is clear concise and cogent in its message and attempts to address all End Times Prophecy questions Doctor Robert Ramirez B A Political Science College of Santa Fe B A Pastoral Studies Moody Bible Institute MDiv The Master s Seminary DMin Trinity Southwest University Pastor Alive In Christ Bible Church President and Founder New Mexico Bible Institute Bookstore *EWeek* ,2000-11 *PC Mag* ,2007-11-20 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology *Popular Science* ,2009-03 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better
