Dear Shri Duggal ji,

Kindly find enclosed detailed notes regarding the five and a half decade long demand and struggle of the people of Telangana for the formation of their own State. It is in response to the public notice issued by the Committee inviting views and suggestions on the issues involved.

Our views and suggestions are presented in four volumes.They are:

- Volume – I** Consists of Historical Perspective, Income and Expenditure, Education, The Capital City, Judiciary, Language and culture, FAQs and Answers;
- Volume – II** Deals with Irrigation;
- Volume – III** Explains the Employment scenario; and
- Volume – IV** Concerns the situation regarding the Power Sector.

Sri Krishna Commission Report:

Country Reports on Human Rights Practices, 2000 **Report of the Royal Commission on Agriculture in India**
Great Britain. Royal Commission on Agriculture in India, 1928 **Annual Report, International Religious Freedom**
1999, Report Submitted to the Committee on International Relations, U.S. House of Representatives and the
Committee on Foreign Relations, United States Senate by the Department of State in Accordance with Section
102 of the International Religious Freedom Act of 1998 United States. Dept. of State, 2000 **The State of the**
Nation Fali S. Nariman, 2013-05-01 A definitive analytical and meticulous account of the present state of the nation from a constitutional perspective by one of India's most respected legal luminaries An ardent defender of the Constitution of India Fali Nariman has today attained the status of an outstanding lawyer who strongly believes in the rule of the law and stands by his convictions In this timely volume the author highlights crucial issues that the legislature the executive judiciary the bar and the common people have to deal with virtually on a day to day basis His main focus is on corruption at various levels and in hallowed institutions including the judiciary The author contends that the legislative and executive wings of the government the elected representatives of the people were and are expected to provide for the welfare of the people He points out that they have failed miserably simply because making of laws is not enough applying and enforcing laws which are also the primary duties of the government have left much to be desired Consequently it is the judiciary that tells the government when and how to distribute excess food what crops to grow and what not to grow which economic projects are good for the country and which are not and what fuel should be used in our vehicles and whether 2G 3G licences should be allotted only through auctions The judiciary is hence accused of overreach The contents also throw light on other important subjects such as the implications of reservations for certain sections of the population including minorities the true purpose and significance of the Constitution Centre State relations and whether the Constitution has benefited the common people over the years This is a book that is absorbing as well as thought provoking that will make the readers put on their thinking caps **The Routledge Handbook of the Other Backward Classes in India** Simhadri Somanaboina, Akhileshwari Ramagoud, 2021-11-15 This handbook presents an authoritative account of the development of movements thoughts and policies of OBCs Other Backward Classes in India Despite the adoption of egalitarian principles in the Indian Constitution caste inequalities discrimination and exclusionary practices against people from backward classes and other lower castes continue to haunt them in contemporary India A comprehensive work on the politics of identity and plurality of experiences of OBCs in India this handbook Features in depth research by eminent scholars on the Other Backward Classes OBC social and political thought OBC movements and OBC development and policy making Discusses the life ideologies and pioneering contributions by Gautam Buddha Sant Kabir Jotirao Phule Savitribai Phule Shahu Maharaj Narayana Guru B R Ambedkar Ram Manohar Lohia and E V Ramasamy Periyar and leading social reform movements Examines OBC issues with case

studies from various Indian states to look at issues of pre and post Mandal India backward caste movements and reclamation of the Bahujan legacy Critiques public policies and programs for the development of OBCs in India Reviews the status of Muslim OBCs in India and of the invisibilized nomadic communities Reviews the impact of globalization on the economically backward lower castes and the impact of development initiatives for the excluded people The first of its kind this handbook will be essential reading for scholars and researchers of exclusion and discrimination studies diversity and inclusion studies Global South studies affirmative action sociology Indian political history Dalit studies political sociology public policy development studies and political studies Wages of Violence Thomas Blom Hansen, 2018-06-05 When Bombay changed its name to Mumbai in 1995 it was the culmination of a long process that transformed India's primary symbol of modernity and cultural diversity into a site of intense ethnic conflict and violent nationalism Wages of Violence is a startling account of how the city's atmosphere dominant public languages and power structures have changed since the 1960s The book centers on how Shiv Sena a militant Hindu movement has advanced a new plebeian political culture and has undermined democratic rule in India's premier city Drawing on a large body of archival material and conversations with people from all walks of life Thomas Blom Hansen paints a vivid picture of this dynamic and violent movement Challenging conventional views of recent trends in Indian politics Hansen shows that the xenophobic public culture of today's Mumbai has deep roots in the region's history and its contested identities We are also given revealing insights into the city's Muslim communities and the authorities understanding and control of the ethno religious subcultures in the city Hansen argues cogently that Shiv Sena's success represents the violent possibilities of the vernacularization of democracy in India Unfolding at a juncture where the globalization of India's economy is having a deepening impact on the lives of ordinary people this is a story that resonates with the directions urban growth is taking both elsewhere in India and beyond Handbook of Journalism and Media: India, Bharat, Hindustan Reddy, Kovuuri G., 2015 The aim of this book is to familiarize the readers with topics that make news with the subjects that invariably draw the attention of the journalists because they may matter to the audience and with the themes that are newsworthy and recurring The book explains those words that could be confusing and which are utterly Indian or may not echo all over the country The book is useful for student journalists and media professionals for those whose interests or careers are closely related with journalism media and public relations and for those who want to know and report on India or from Bharat or out of Hindustan **KEY FEATURES** Highly useful and informative Covers all platforms of journalism and media newspapers magazines radio television and Internet A Journalism and Media Calendar at the end Reference to news items published in real newspapers websites **The Rediscovery of India** Meghnad Desai, 2011-08-02 What makes India a nation What has held its many disparate societies with their diverse sometimes conflicting narratives together for more than sixty years What has allowed India to sustain its commitment to the democratic process given its location in a region that is largely undemocratic In this magisterial analysis of the last five hundred years of Indian history Meghnad Desai

looks at India's colonial past its struggle for independence and its many contemporary conundrums to discover answers to the questions that have confronted India watchers for decades Rejecting much received wisdom including narratives fashioned by India's ruling establishment Meghnad Desai goes back to the beginnings of the East West encounter at the end of the fifteenth century and tracks its impact on the cultures and politics of the present day Through a series of Counterfactual Boxes Meghnad Desai analyses the accepted defining moments of India's past and suggests alternative courses that history could so easily have taken Meghnad Desai draws on a wealth of sources to illuminate India's journey to the twenty first century Whether it is an examination of British parliamentary debates on the question of India's independence or the liberalization of the economy after decades of licence permit raj or the state's complicity in the Gujarat riots Meghnad Desai's original occasionally iconoclastic approach to seemingly settled arguments makes *The Rediscovery of India* a path breaking and comprehensive account of India's past and present **State Terrorism** Grace Pelly, 2009

Includes testimonies of victims of state sponsored terrorism Provincial Democracy Rama Sundari Mantena, 2023-08-24 Situated within the context of seismic global transformations of the early twentieth century namely the two World Wars and the crisis of the imperial order Provincial Democracy delves into the period between the decline of empire and the rise of the nation This period the book contends is defined by not only the dominance of the nation state and debates over a new global order but also the expansion of democratic participation in defining and negotiating political futures and an increased use of the language of liberalism political rights and self government in colonial India Moreover it shifts the focus from the dominant narrative of linguistic nationalism as defining regionalism on to debates over questions of representation rights political reforms and federalism Thus it uncovers a broad perspective on political imaginaries that anticipated democracy in independent India *Limits of Islamism* Maidul Islam, 2015-03-09 The book examines the dynamics from the formation of

Islamist politics for the struggle for hegemony to failure to become a hegemonic force in Bangladesh The contradiction between Islamic universalism Islamist populism on one hand and a politics of Muslim particularism in India on the other is revealed in this study **Religious Freedom in India** Goldie Osuri, 2013 Drawing on the critical and theoretical concepts of sovereignty biopolitics and necropolitics this book examines how a normative liberal and secular understanding of India's religious identity is translatable by Hindu nationalists into discrimination and violence against minoritized religious communities Extending these concepts to an analysis of historical political and legal genealogies of conversion the author demonstrates how a concern for sovereignty links past and present anti conversion campaigns and laws The book illustrates how sovereignty informs the making of secularism as well as religious difference The focus on sovereignty sheds light on the manner in which religious difference becomes a point of reference for the religio secular idioms of Bombay cinema for legal judgements on communal violence for human rights organizations and those seeking justice for communal violence This wide ranging examination and discussion of the trajectories of anti conversion politics through historical legal philosophical

popular cultural archival and ethnographic material offers a cogent argument for shifting the stakes and rethinking the relationship between sovereignty and religious freedom The book is a timely contribution to broader theoretical and political discussions of post secularism and human rights and is of interest to students and scholars of postcolonial studies cultural studies law and religious studies

Neoliberalism, Cities and Education in the Global South and North Kalervo N. Gulson, Thomas C. Pedroni, 2016-04-08 Across the world cities are being reshaped in myriad ways by neoliberal forms of globalization a process of urban restructuring with significant implications for educational policy and practices The chapters in this collection speak to two complementary but analytically distinguishable aspects of the interplay between education globalization cities and neoliberalism The first aspect relates to the macro relationships between these powerful global forces on the one hand and cities and their schools on the other In particular the book considers the stratifying dynamics that exacerbate already existing inequalities related to race ethnicity language class and gender inequalities entailing differential access to the city's various resources The second aspect deals with the cultural politics and logics of these changes in the city This recognises that globalization is not simply imposed on the city but rather becomes insinuated into its fabric through the actions and the agency of local actors and social movements Against this backdrop the chapters document how the educational politics of urban contexts in the United States India Canada South Africa and Brazil should be understood as sites in which neoliberal forms of globalization are localised reproduced and potentially contested This book was originally published as a special issue of *Discourse Studies in the Cultural Politics of Education*

Human Rights in a Developing Society, 2005 In Indian context *Political Parties in India* Mr. Rohit Manglik, 2023-12-23 In this book we will study about the party system in India ideology leadership and role of regional and national parties

Bollypolitics Ajay Gehlawat, 2024-03-21 Winner of Best Monograph at the 2025 BAFTSS Awards This book provides an in depth exploration of the evolving landscape of Bollywood cinema in response to recent socio political changes in India including a surge in sectarian violence and the ascent of Hindutva or Hindu nationalism under Prime Minister Narendra Modi's leadership Through a comprehensive analysis of prominent filmmakers and actors like Sanjay Leela Bhansali Kangana Ranaut Akshay Kumar and Anupam Kher Ajay Gehlawat investigates the extent to which their recent works align with key tenets of the Hindutva movement He scrutinizes the growing influence of the Bharatiya Janata Party BJP on film production manifesting in collaborations covering diverse themes from Modi's Clean India initiative to the nation's space exploration endeavors and grand historical epics such as *Padmaavat* 2018 and *Manikarnika* 2019 that seek to reshape Indian history in line with Hindutva ideology Gehlawat goes on to dissect smaller budget films like *Article 15* 2019 and *Shubh Mangal Zyada Saavdhan* 2020 which tackle pressing social issues like caste based violence and homophobia exacerbated by the surge in right wing extremism in India In doing so he elucidates the profound and far reaching impact of Hindutva ideology on Indian cinematic narratives and aesthetics while also considering the broader implications for Indian society as a whole

Handbook of Contemporary India Knut A. Jacobsen, 2015-08-11 A second revised edition of this title is available at <https://www.routledge.com/Routledge-Handbook-of-Contemporary-India/Jacobsen/p/book/9781032244068> India is the second largest country in the world with regard to population the world's largest democracy and by far the largest country in South Asia and one of the most diverse and pluralistic nations in the world in terms of official languages cultures religions and social identities Indians have for centuries exchanged ideas with other cultures globally and some traditions have been transformed in those transnational and transcultural encounters and become successful innovations with an extraordinary global popularity India is an emerging global power in terms of economy but in spite of India's impressive economic growth over the last decades some of the most serious problems of Indian society such as poverty repression of women inequality both in terms of living conditions and of opportunities such as access to education employment and the economic resources of the state persist and do not seem to go away This Handbook contains chapters by the field's foremost scholars dealing with fundamental issues in India's current cultural and social transformation and concentrates on India as it emerged after the economic reforms and the new economic policy of the 1980s and 1990s and as it develops in the twenty first century Following an introduction by the editor the book is divided into five parts Part I Foundation Part II India and the world Part III Society class caste and gender Part IV Religion and diversity Part V Cultural change and innovations Exploring the cultural changes and innovations relating a number of contexts in contemporary India this Handbook is essential reading for students and scholars interested in Indian and South Asian culture politics and society Chapter 11 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Religion and Conflict in South and Southeast Asia Linell E. Cady, Sheldon W. Simon, 2006-09-27 A major new contribution to comparative and multidisciplinary scholarship on the alignment of religion and violence in the contemporary world with a special focus on South and Southeast Asia *Religion and Conflict in South and Southeast Asia* shows how this region is the site of recent and emerging democracies a high degree of religious pluralism the largest Muslim populations in the world and several well organized terrorist groups making understanding of the dynamics of religious conflict and violence particularly urgent By bringing scholars from religious studies political science sociology anthropology and international relations into conversation with each other this volume brings much needed attention to the role of religion in fostering violence in the region and addresses strategies for its containment or resolution The dearth of other literature on the intersection of religion politics and violence in contemporary South and Southeast Asia makes the timing of this book particularly relevant This book will of great interest to advanced undergraduate and postgraduate students of Asian politics security studies and conflict studies

A Commissioner's Primer to Economics of Competition Law in India Geeta Gouri, 2023-03-01 This book is a primer on economics of competition law by a Commissioner based on cases of the Competition Commission of India CCI It presents economic

theories in lucid ways while providing an in depth economic analysis of the cases dealt by CCI and in the process it blends the diversity of responses by including the orders upheld by majority and minority In essence It is a unique work that addresses the gap between competition law and economics ,
