St. Louis, MO 63101

Subject: Request for Parole Consideration

Dear Members of the Parole Board,

I hope this letter finds you well. My name is [YOUR NAME], and I am writing to formally request consideration for parole regarding my upcoming review scheduled for November 20, 2050. I have taken significant steps during my time of incarceration to address the issues that led to my imprisonment and to prepare myself for reintegration into society.

Throughout my sentence, I have actively participated in various rehabilitation programs, including vocational training in carpentry and substance abuse counseling. These experiences have not only equipped me with valuable skills but have also fostered a deep understanding of my past actions and their impact on others. I have received positive evaluations from my instructors and counselors, which I believe demonstrate my commitment to personal growth.

Furthermore, I have maintained good behavior throughout my incarceration, and I have developed a strong support network outside of prison. My family, including my mother, **Jean Harris**, has been a constant source of encouragement, and I have included letters of support from them as part of this request. They are committed to assisting me as I transition back into the community and have provided assurances regarding my living arrangements and employment opportunities.

I understand the importance of public safety and the responsibilities that come with being granted parole. I assure you that I have learned from my past mistakes and am dedicated to making positive contributions to society moving forward.

I kindly request that you consider my application favorably. Thank you for your time and consideration. I look forward to the opportunity to present my case in person during the upcoming hearing.

Sincerely,

[YOUR NAME]

García,2022-04-19 Check out *A Class Apart* the new PBS American Experience documentary that explores this historic case In 1952 in Edna Texas Pete Hernandez a twenty one year old cotton picker got into a fight with several men and was dragged from a tavern robbed and beaten Upon reaching his home he collected his .22 caliber rifle walked two miles back to the tavern and shot one of the assailants With forty eyewitnesses and a confession the case appeared to be open and shut Yet *Hernandez v Texas* turned into one of the nation's most groundbreaking Supreme Court cases Ignacio García's *White But Not Equal* explores this historic but mostly forgotten case which became the first to recognize discrimination against Mexican Americans Led by three dedicated Mexican American lawyers the case argued for recognition of Mexican Americans under

the 14th Amendment as a class apart. Despite a distinct history and culture, Mexican Americans were considered white by law during this period, yet in reality they were subjected to prejudice and discrimination. This was reflected in Hernandez's trial, in which none of the selected jurors were Mexican American. The concept of Latino identity began to shift as the demand for inclusion in the political and judicial system began. Garcia places the Hernandez v. Texas case within a historical perspective and examines the changing Anglo-Mexican relationship. More than just a legal discussion, this book looks at the whole case from start to finish and examines all the major participants, placing the story within the larger issue of the fight for Mexican American civil rights.
