The Pigeons of Monte Verde Rj Wright, 2011-09-04 The pigeons flying over the Monte Verde Neighborhood toward the low income housing development known as Masada look no different than other birds at first glance. Hundreds of pigeons fly in and out of the rookeries in Masada every day with little fanfare. What most people don't notice is that a select few carry a secretive cargo strapped to their back. Fifteen year old Jesse Kane and his best friend Andy have covertly taken a handful of these pigeons for years so they can sell the cocaine they're transporting. They do it for the money they can bring to help lift them out of their miserably poor lives. Jesse struggles against the life he's been given by his dysfunctional parents and the life he knows exists somewhere. With the help of his girlfriend Lacey, he hopes to find it while turning his back on the lifestyle he's always led. This proves to be harder than he ever could've imagined while struggling for more than a new life. He finds himself struggling to stay alive and protect those he loves.

Biker's Handbook Jay Barbieri, 2007-11-15 There are millions of new motorcyclists hitting the blacktop every year. But being part of the American motorcycle culture takes more than just wanting to be cool. It takes a passion for the open road freedom and a lifestyle that even the best financing can't buy. This book by someone who knows motorcycles as few do provides a road map to biker culture for anyone new to the experience. Jay Barbieri explains everything a new rider needs to know to become a real biker. He begins with a brief history of motorcycles and draws on his twenty five years of riding experience for examples of what works and doesn't in this heady world. Most of all, he aims to spare new bikers the bad decisions neophytes typically make. With hundreds of motorcycle trips under his belt, there is not a mistake Barbieri hasn't made or a situation he hasn't encountered. By sharing the sometimes comical outcomes, he gives the new biker a head start to become more comfortable, credible and knowledgeable about joining a community that is as much a part of American culture as baseball, hotdogs and apple pie.
