Edir Macedo,2022-11-23 The biggest most convincing mistake of all time is the belief that everyone is a child of God But how could this idea be true when there is so much evil injustice and chaos in the world How could a loving God bear children who spew hatred and instigate war How could God be the Father of those who do the very things that He condemns If God were merely human this could be attributed to some genetic flaw But since God is perfect how can we reconcile the existence of so many imperfect children In *Are we all God's Children* Edir Macedo answers these and other questions and describes the three types of people in the world their characteristics their conflicts how each of us can become a child of God and much more An enlightening book that will lead you to discover the true paternity of your soul *Foods* Edward Smith,2024-03-14 Reprint of the original first published in 1875 **Foods** Edward Smith (M.D.),1873 *Foods* Edward Smith,1874
