Growing Readers Kathy Collins, 2003-10-10 Primary grade teachers face an important challenge teaching children how to read while enabling them to build good habits so they fall in love with reading Many teachers find the independent reading workshop to be the component of reading instruction that meets this challenge because it makes it possible to teach the reading skills and strategies children need and guides them toward independence intention and joy as readers In *Growing Readers* Kathy Collins helps teachers plan for independent reading workshops in their own classrooms She describes the structure of the independent reading workshop and other components of a balanced literacy program that work together to ensure young students grow into strong well rounded readers Kathy outlines a sequence of possible units of study for a yearlong curriculum Chapters are devoted to the individual units of study and include a sample curriculum as well as examples of mini lessons and reading conferences There are also four Getting Ready sections that suggest some behind the scenes work teachers can do to prepare for the units Topics explored in these units include print and comprehension strategies reading in genres such as poetry and nonfiction connecting in school reading and out of school reading developing the strategies and habits of lifelong readers A series of planning sheets and management tips are presented throughout to help ensure smooth implementation We want our students to learn to read and we want them to love to read To do this we need to lay a foundation on which children build rich and purposeful reading lives that extend beyond the school day The ideas found in *Growing Readers* create the kind of primary classrooms where that happens

Teaching for Deep Comprehension Linda J. Dorn, Carla Soffos, 2005 Discusses reading comprehension and offers ways for teachers to develop it in their students exploring the cognitive and social aspects of comprehension while viewing it as an active process

[Reading Strategies and Practices](#) Robert J. Tierney, John E. Readence, 2000 This book is a compendium of strategies it is not a description of a single approach nor is it intended to be eclectic The inclusion of a strategy should not be perceived as our endorsement of that strategy There are some strategies that we view as problematic there are others about which we disagree

Becoming One Community Kathleen Fay, Suzanne Whaley, 2004 More and more classrooms across the country are filled with children who speak languages other than English In these diverse classrooms many teachers struggle with how to create reading and writing instruction that is appropriate for their English language learners In *Becoming One Community* Kathleen Fay and Suzanne Whaley provide expert guidance on helping students who are just learning English develop their voice and skills within

reading and writing workshops JoAnn Portalupi Written for the general classroom teacher whose class includes English language learners ELLs as well as for ELL teachers working in general classrooms this book portrays ELL students in grades 3-6 who learn essential reading and writing skills and are full members of the classroom community Throughout the book Kathleen and Suzanne emphasize the importance of talk By talking during science workshop after read aloud or when sharing an idea with a partner ELLs use language authentically and in using it become more adept speakers readers and writers of English Included are classroom scenes with dialogue in whole class and small group settings authentic one-on-one conferences with readers and writers at varying levels of English language proficiency reflection by the teachers before during and after teaching scenarios from inclusive classrooms and descriptions of teachers' decisions which enable them to be successful learning environments This is not a quick how-to guide Becoming One Community provides many practical examples of diverse classrooms at work and embeds theory on English language development throughout It gives teachers a repertoire of ideas to meet the needs of ELL students in their classroom but ultimately trusts in the teacher's own skills to best know their students and appreciate their innate intelligence
