Batboys and the World of Baseball Neil D. Isaacs, 1995 A unique look at baseball's clubhouse culture through the eyes of batboys

Baseball's Pivotal Era, 1945-1951 William Marshall, 2014-10-17 With personal interviews of players and owners and with over two decades of research in newspapers and archives Bill Marshall tells of the players the pennant races and the officials who shaped one of the most memorable eras in sports and American history At the end of World War II soldiers returning from overseas hungered to resume their love affair with baseball Spectators still identified with players whose salaries and off season employment as postmen plumbers farmers and insurance salesmen resembled their own It was a time when kids played baseball on sandlots and in pastures fans followed the game on the radio and tickets were affordable The outstanding play of Joe DiMaggio Stan Musial Ted Williams Bob Feller Don Newcombe Warren Spahn and many others dominated the field But perhaps no performance was more important than that of Jackie Robinson whose entrance into the game broke the color barrier won him the respect of millions of Americans and helped set the stage for the civil rights movement Baseball's Pivotal Era 1945 1951 also records the attempt to organize the Pittsburgh Pirates and the Mexican League's success in luring players south of the border that led to a series of lawsuits that almost undermined baseball's reserve clause and antitrust exemption The result was spring training pay uniform contracts minimum salary levels player representation and a pension plan the very issues that would divide players and owners almost fifty years later During these years the game was led by A B Happy Chandler a hand shaking speech making singing Kentucky politician Most owners thought he would be easily manipulated unlike baseball's first commissioner the autocratic Judge Kennesaw Mountain Landis Instead Chandler's style led one owner to complain that he was the player's commissioner the fan's commissioner the press and radio commissioner everybody's commissioner but the men who pay him

The Year Without a World Series Robert C. Cottrell, 2023-09-06 The 1994 Major League Baseball season promised to be memorable Long standing batting and pitching standards were threatened including the revered single season home run record The Montreal Expos and New York Yankees were delivering remarkable campaigns In August acting commissioner Bud Selig called a halt to the season amid the League's latest labor dispute The shutdown led to a lockout as well as cancellation of more than 900 regular season games the scheduled expanded rounds of playoffs and that year's World Series Like all labor struggles it was fundamentally about control of salaries of players ability to decide their own fates and of the game itself This book chronicles Major League Baseball's turbulent 94 season and its ripple effects It highlights earlier labor struggles and the roles performed by individuals from John Montgomery Ward David Fultz and Robert Murphy to Marvin Miller Andy Messersmith Jim Catfish Hunter and Donald Fehr Also examined are the ballplayers own organizations from the Players League of the early 1890s to the still potent Major League Baseball Players Association doing battle with team owners and their representatives
