Sunday April 25 Tv Guide:

TV Guide, 2007 **TV Guide** Stephen F. Hofer, 2006 This book looks at the origins and growth of television through the pages of TV Guide and covers the complete run of this American icon from the first guides in 1953 to the last issue in guide format on October 9 2005 It includes full color reproductions of every cover ever printed and is both a collector's guide with pricing included and a retrospective view of the medium **Riding the Video Range** Gary A. Yoggy, 2024-10-16 In June 1949 Hopalong Cassidy Then Roy Rogers the Lone Ranger Zorro Davy Crockett the Cisco Kid Matt Dillon Bat Masterson the Cartwrights Hec Ramsey Paladin Have Gun Will Travel no television genre has generated as many enduring characters as the Western Gunsmoke Death Valley Days Bonanza Maverick and Wagon Train are just a few of the small screen oaters that became instant classics Then shows such as Lonesome Dove and The Young Riders updated and redefined the genre The shows tended to fall into categories such as juvenile Westerns marshals and sheriffs wagon trains and cattle drives ranchers antiheroes bounty hunters gamblers and hired guns memorable pairs Indians single parent families e g The Big Valley The Rifleman and Bonanza women blacks Asians and even spoofs There are 85 television Westerns analyzed here the characters the stories and why the shows succeeded or failed Many photographs a bibliography and index complete the book **With Amusement for All** LeRoy Ashby, 2006-05-12 Popular culture is a central part of everyday life to many Americans Personalities such as Elvis Presley Oprah Winfrey and Michael Jordan are more recognizable to many people than are most elected officials With Amusement for All is the first comprehensive history of two centuries of mass entertainment in the United States covering everything from the penny press to Playboy the NBA to NASCAR big band to hip hop and other topics including film comics television sports dance and music Paying careful attention to matters of race gender class technology economics and politics LeRoy Ashby emphasizes the complex ways in which popular culture simultaneously reflects and transforms American culture revealing that the world of entertainment constantly evolves as it tries to meet the demands of a diverse audience Trends in popular entertainment often reveal the tensions between competing ideologies appetites and values in American society For example in the late nineteenth century Americans embraced self made men such as John D Rockefeller and Andrew Carnegie the celebrities of the day were circus tycoons P T Barnum and James A Bailey Wild West star Buffalo Bill Cody professional baseball organizer Albert Spalding and prizefighter John L Sullivan At the same time however several female performers challenged traditional notions of weak frail Victorian women Adah Isaacs Menken astonished crowds by wearing tights that made her appear nude while performing dangerous stunts on horseback and the shows of the voluptuous burlesque group British Blondes often centered on provocative images of female sexual power and dominance Ashby describes how history and politics frequently influence mainstream entertainment When Native Americans blacks and other non whites appeared in the nineteenth century circuses and Wild West shows it was often to perpetuate demeaning racial stereotypes crowds jeered Sitting Bull at Cody's shows By the early twentieth century however black

minstrel acts reveled in racial tensions reinforcing stereotypes while at the same time satirizing them and mocking racist attitudes before a predominantly white audience Decades later Red Foxx and Richard Pryor s profane comedy routines changed American entertainment The raw ethnic material of Pryor s short lived television show led to a series of African American sitcoms in the 1980s that presented common American experiences from family life to college life with black casts Mainstream entertainment has often co opted and sanitized fringe amusements in an ongoing process of redefining the cultural center and its boundaries Social control and respectability vied with the bold erotic sensational and surprising as entrepreneurs sought to manipulate the vagaries of the market control shifting public appetites and capitalize on campaigns to protect public morals Rock n Roll was one such fringe culture in the 1950s Elvis blurred gender norms with his androgynous style and challenged conventions of public decency with his sexually charged performances By the end of the 1960s Bob Dylan introduced the social consciousness of folk music into the rock scene and The Beatles embraced hippie counter culture Don McLean s 1971 anthem American Pie served as an epitaph for rock s political core which had been replaced by the spectacle of hard rock acts such as Kiss and Alice Cooper While Rock n Roll did not lose its ability to shock in less than three decades it became part of the established order that it had originally sought to challenge With Amusement for All provides the context to what Americans have done for fun since 1830 showing the reciprocal nature of the relationships between social political economic and cultural forces and the way in which the entertainment world has reflected refracted or reinforced the values those forces represent in America

Strategic Reinvention in Popular Culture Richard Pfefferman,2013-12-11 Not all original works invoke the encore impulse in their audiences Those that do generally spawn replications sequels spin offs or re makes This book presents a theory of why some replications succeed and others fail across genres and media *Focus On: 100 Most Popular Television Shows Set in New York City* Wikipedia contributors, **Tarnished Gold** R. Serge Denisoff,1986-01-01 The great depression in the popular recording industry that began in 1979 still continues There are signs however that the industry is adjusting to new technologies and may soon revive R Serge Denisoff documents the decline and possible revival of this comprehensive study of the recording business a sequel to his widely acclaimed Solid Gold The Popular Record Industry Denisoff offers a brief history of popular music and then in detail traces the life cycle of a record beginning with the artist in the studio and following the record until its purchase He explains the relationships between artist manager producer company distributor merchandiser and media They all play roles in the scenario of a hit record He also discusses the new technologies and how they may affect record sales especially round the clock rock and roll on cable television Tarnished Gold joins Solid Gold as a staple in the popular culture literature **Guide to the Turf** Ruff William,1871 [Invisible Stars](#) Donna

Halper,2015-02-11 Invisible Stars was the first book to recognize that women have always played an important part in American electronic media The emphasis is on social history as the author skillfully explains how the changing role of women in different eras influenced their participation in broadcasting This is not just the story of radio stars or broadcast journalists but a social history of women both on and off the air Beginning in the early 1920s with the emergence of radio the book chronicles the ambivalence toward women in broadcasting during the 1930s and 1940s the gradual change in status of women in the 1950s and 1960s the increased presence of women in broadcasting in the 1970s and the successes of women in broadcasting in the 1980s and 1990s The second edition is expanded to include the social and political changes that occurred in the 2000s such as the growing number of women talk show hosts changing attitudes about women in leadership roles in business more about minority women in media and women in sports and women sports announcers The author addresses the question of whether women are in fact no longer invisible in electronic media She provides an assessment of where progress for women in society as well as broadcasting can be seen and where progress appears totally stalled *Jet* ,1953-04-30 The weekly source of African American political and entertainment news Hollywood Vault Eric Hoyt,2014-07-03 Hollywood Vault is the story of how the business of film libraries emerged and evolved spanning the silent era to the sale of feature libraries to television Eric Hoyt argues that film libraries became valuable not because of the introduction of new technologies but because of the emergence and growth of new markets and suggests that studying the history of film libraries leads to insights about their role in the contemporary digital marketplace The history begins in the mid 1910s when the star system and other developments enabled a market for old films that featured current stars After the transition to films with sound the reissue market declined but the studios used their libraries for the production of remakes and other derivatives The turning point in the history of studio libraries occurred during the mid to late 1940s when changes in American culture and an industry wide recession convinced the studios to employ their libraries as profit centers through the use of theatrical reissues In the 1950s intermediary distributors used the growing market of television to harness libraries aggressively as foundations for cross media expansion a trend that continues today By the late 1960s the television marketplace and the exploitation of film libraries became so lucrative that they prompted conglomerates to acquire the studios The first book to discuss film libraries as an important and often underestimated part of Hollywood history Hollywood Vault presents a fascinating trajectory that incorporates cultural legal and industrial history **Encyclopedia of Television** Horace Newcomb,2014-02-03 The Encyclopedia of Television second edition is the first major reference work to provide description history analysis and information on more than 1100 subjects related to television in its international context For a full list of entries contributors and more visit the Encyclo pedia of Television 2nd edition website Focus On: 100 Most Popular Television Series by Sony Pictures Television Wikipedia contributors, **Chain Store Age for Chain Supermarket-grocery Stores. Grocery Managers Edition** ,1970 *Jet* ,1955-09-29 The weekly source of African

American political and entertainment news The Publishers Weekly ,1926 **Meet the Mertz**s Rob Edelman,Audrey Kupferberg,2013-08-27 Meet the Mertz is an expansive dual biography chronicling the lives of two of America s most popular situation comedy actors William Frawley and Vivian Vance who portrayed Fred and Ethel Mertz on I Love Lucy This meticulously researched book contains interviews with Frawley s and Vance s colleagues friends and relatives and explores their personal and professional lives before during and after I Love Lucy With a complete filmography and videography of each Meet the Mertz finally sets the record straight on the lives and legacies of these compelling stars who detested one another You ll learn about Vance s successful Broadway career prior to I Love Lucy Frawley s vaudevillian roots and his passion for baseball Vance s nervous breakdown after the collapse of her first marriage Frawley s drinking and carousing Lucille Ball s caustic relationship with both of her costars Vance s hatred of being known to the world as Ethel Mertz
