Pause Before the Pulpit William W. Helland, 2005 This collection of devotionals opens up the scriptures and serves a meal that nurtures the life with God. Helland is well acquainted with the needs of pastors, and through these pages he serves as a pastor's pastor. The book has the added value of speaking to the pastor, the Word of God, while he is preparing to speak to others. Those who use this book will be enriched and blessed through the gospel of Jesus Christ. Eugene L. Boe, Professor of Systematic and Historical Theology, Lutheran Brethren Seminary. Today's busy pastors must cope with a diverse range of physically and emotionally draining tasks. Yet as they balance the many competing demands on their time, the essential element for maintaining a vital and successful ministry is carving out time for their own spiritual regeneration. Before pastors can effectively proclaim the Good News to the people in the pews, they must attend to their ongoing relationship with the God whom they serve. Based on each Sunday's epistle and gospel texts from Cycle B of the Revised Common Lectionary, this collection of prayerful reflections specifically addresses the spiritual needs of the clergy. Rather than a primer on how to preach the text, these devotions explore what the scripture passages have to say about the personal lives of pastors and their public ministry. It's an ideal resource to begin weekly sermon preparation with, as each thoughtful contemplation prepares the heart for faithful preaching of God's Word. But *Pause Before the Pulpit* isn't just for pastors; these devotions will also strengthen and spiritually encourage anyone actively involved in lay ministry. Bill Helland has written a wonderful devotional companion which gives inspiration, hope, and commitment. Every pastor should have a copy of this book.
