**Case Studies in Project, Program, and Organizational Project Management** Dragan Z. Milosevic,Peerasit Patanakul,Sabin Srivannaboon,2010-04-19 The ever expanding market need for information on how to apply project management principles and the PMBOK contents to day to day business situations has been met by our case studies book by Harold Kerzner That book was a spin off from and ancillary to his best selling text but has gained a life of its own beyond adopters of that textbook All indications are that the market is hungry for more cases while our own need to expand the content we control both in print and online would benefit from such an expansion of project management case content The authors propose to produce a book of cases that compliment Kerzner s book A book that offers cases beyond the general project management areas and into PMI s growth areas of program management and organizational project

management The book will be structured to follow the PMBOK in coverage so that it can not only be used to supplement project management courses but also for self study and training courses for the PMP Exam PMI PMBOK PMP and Project Management Professional are registered marks of the Project Management Institute Inc **Building**

**Project-Management Centers of Excellence** Dennis Bolles,2002-09-06 It s been shown again and again that business components from R D to systems engineering to manufacturing can benefit from a project centered management approach Now organizations that have had success at the departmental or divisional level are taking the project management approach to new levels adopting PM standards into across the board management philosophies and business strategies This new model is known as the Project Management Center of Excellence PMCoEs need every group within the organization to work under the PM model but more important they need the proper tools to implement PM standards in new areas A crucial tool in developing project management objectives across the company this book covers Positioning project management as a business strategy Creating and managing an organizational PM portfolio Education training and internal PM certification programs Classifying projects benchmarking and mapping a methodology Project Management Harold
