Uncoupling Lisa van de Geyn, 2022-11-26 Anyone going through separation and divorce can agree that it's an emotional and financial rollercoaster. There is so much to understand, prepare, read, gather, and act on that it's an incredibly draining process. *Uncoupling: The Ugly Truth about Divorce and Finances* is here to help. This book has everything from the basics to the nitty-gritty when it comes to separation and divorce, with an emphasis of course on finances. Along with the stories of people going through their own separations and divorces are the voices of experts covering everything from the specifics of Canada's Divorce Act and parenting agreements to the tax implications of divorce and financial post-divorce. Divorce rates in Canada are on the rise, and *Uncoupling* will provide much needed information for those on this difficult journey.

School Fundraising Handbook Lindsey Marsh, 2019-11-21 Written by Lindsey Marsh. The *School Fundraising Handbook* How to maximise your income from grants, sponsorship, and many other sources of finance is a carefully compiled treasury of tips, tools, and key contacts to help schools in the UK save money, boost their income, and manage their fundraising projects. It's exciting to know that there are hundreds of grants available to schools, whether they're for funds needed to raise attainment levels, purchase new equipment, run school clubs, or improve buildings and outdoor spaces, and these grants can range from a few pounds to thousands of pounds. Plus, in addition to financial grants, there are also lots of other means of support out there too, such as business sponsorship and employee volunteers. The *School Fundraising Handbook* aims to help schools become better informed about such opportunities and to raise awareness of all the wonderful charities and organisations that are willing to support schools and other educational establishments, such as nurseries, colleges, special schools, and pupil referral units. Covering grants, crowdfunding, event planning, recycling schemes, corporate support, and much more, this indispensable guide throws schools a lifeline by revealing the abundance of fundraising streams available to them and sharing shrewd advice on how to coordinate specific projects and initiatives successfully. Lindsey also uses her fundraising expertise to guide readers through the grant application process from start to finish, so that even the most inexperienced fundraiser can feel confident about seeing their projects through to fruition. Furthermore, she offers ideas and insights on how to fundraise through wider community involvement, reach out to business links, and benefit from various other opportunities available to schools, e.g. hire schemes, guest speakers, free gifts, and free site visits. An invaluable resource for school leaders, school business managers, and anyone involved in fundraising in the education sector. *Including Learners with Medical Needs in School* Cath Kitchen, 2025-06-06 This accessible book is packed with information and strategies that will build your confidence in ensuring that children and young people with medical needs have equal access to education and can thrive academically, socially, and emotionally. *Including Learners with Medical Needs in School* provides school staff with a guide for best practice in supporting learners with complex health conditions in their schools.
