Klein, 2012-05-07 For most schools and organizations fundraisers bridge the gap between budgets and the money they need
in order to operate Despite the continued rise in childhood and adult obesity and increased attention to humankind's
ecological impact many fundraisers still rely on the sale of high calorie low nutrient foods or ask supporters to become
consumers of incidental items and paper products to support the cause Healthy and Sustainable Fundraising Activities offers
innovative and thoughtful options that raise money for your cause without contradicting the physical activity health and
ecological messages emphasized in your school or organization In contrast to traditional fundraisers involving food and
incidental products the ideas in Healthy and Sustainable Fundraising Activities encourage personal community and
environmental health and reinforce the health and social responsibility initiatives in place in your school or organization With
Healthy and Sustainable Fundraising Activities you'll learn how to involve not just your school or organization but the entire
community in health promoting environmentally friendly activities With Healthy and Sustainable Fundraising Activities you'll
find a range of ideas from ink cartridge recycling to a dance competition and a unique approach to fundraising sure to
energize your students members and community to meet and exceed your fundraising goals For educators each of the
activities outlined in the text is based on National Health Education Standards NHES and National Association for Sport and
Physical Education NASPE standards and 21st century learning outcomes making this text a great resource for incorporating

the health and wellness initiatives of your school into the fundraising plans for your class club sport team or organization. Activities in the book are grouped according to the level of knowledge skills and abilities required for organizing and conducting them. Most activities use similar or commonly used resources often available in a school or organizational setting. You will find clear and complete explanations in a standard lesson plan format along with the tools and information you need in order to implement each idea. With background information on various types of fundraisers how these types are categorized and guidance on scheduling implementing and communication you will have a full picture of what it takes to complete each event. Get your members and community involved in a project that not only raises money but also gives children exposure to important values such as lifelong wellness hard work perseverance integrity and civic engagement. Regardless of whether you are new to fundraising or simply searching for new ideas for your next project *Healthy and Sustainable Fundraising Activities* offers the tools information and inspiration to help you reach your monetary goals in ways that contribute to the health and well being of your students members community and the environment.
