T. bairdii goes far exceeding in form and structure any other species in the order in which the most of the substructural features and phylogenetic characters of *T. bairdii* occur, placing it in a monophyletic clade with other species of the genus.

PREFACE

- The output jack is an RJ45 standard RJ45 phone jack. The cable can connect to a computer or other network device.
- The built-in pre-amplifier is automatically turned on when the plug is inserted into the output jack. When not using the instrument, or when plugging it into a different amplifier, be sure the microphone plug is from the output jack and not the pre-amplifier jack is inserted.
- Always use the "VOLUME" control for "OFF" when plugging in or unplugging the instrument cable.
- The battery check indicator (BATT) will light briefly when the plug is inserted or removed from the output jack. This is a normal and does not indicate a malfunction.
- Be sure to remove the battery if the instrument will not be used for an extended period of time in order to prevent possible damage due to
